## 450 PASSENGERS TAKEN FROM SHIP IN ST. LAWRENCE

Rapids Prince Grounded When  
Shooting Rapids

Rescued Travelers Being  
Taken to Montreal

Montreal, July 31.—The passengers aboard the steamer Rapids Prince, of the Canadian Steamship Lines, Ltd., which went aground at the foot of the Lachine Rapids Sunday evening, are steadily being removed from the vessel to Heron Island, from where they are being brought to this city in small craft. Of the 450 persons aboard, over 100 had been removed by noon, the work being slow because of the limited capacity of the lifeboats used to make the transfer.

Sturdy Indians from Caughnawaga Reserve are assisting in the work. Officers of the Rapids Prince were very reticent this morning when asked about the circumstances of the accident. All were unanimous, however, in declaring that it was caused by the breaking of one of the rudder chains.

According to an eyewitness who saw the accident from the island, the Rapids Prince was coming down the river at five minutes to seven, and just as she was passing the end of the island she seemed to stagger as if she had struck something, swinging completely around, obviously out of control, and end her career high up on the rocks, lying almost broadside to the stream.

While the tendency among the rescued passengers is to minimize the excitement of the accident, they admit they had the "fright of their lives."

Used Sea Sled.

Montreal, July 31.—Hastening to the Lachine Rapids, where the passenger steamer Rapids Prince, of the Canadian Steamship Lines, Ltd., is aground on a rocky ledge, J. W. Norcross, vice-president of the company, left shortly after 10 o'clock this morning in a sea sled loaned by the Canadian Vickers, Ltd. As this vessel craft has an engine of 200 horse-power and a capacity of about

## BOOTLEGGERS HIT BY MANSON MOVE

Attorney-General to Learn of  
All Warehouse Dealings

Persons and Even Motors  
Taking Liquor to Be Taken

On his return to Victoria to-day from Cranbrook, the Hon. A. M. Manson, Attorney-General, put through an order-in-council aimed at ending any loose dealings by licensed liquor warehouses in B. C. The Manson regulations will make it possible to keep track of all liquor handled by these houses and how much of it goes to bootleggers and who these bootleggers are, it was explained.

Bootleggers, when informed this afternoon of the new regulations, said that they were apparently aimed as another blow at their business.

"The purpose is to prevent the sale of liquor within B. C. and the violation of the provisions of the Liquor Act," Mr. Manson said.

Licensed warehouses operate in this Province for handling export trade only, as all liquor trading in the Province is legitimate only when carried on through the Government stores.

The new regulations were put through because it had become known that bootleggers were getting their supplies from licensed warehouses which are supposed to be catering only to the foreign and not the home trade.

Under to-day's regulations, warehouses must keep special books in which are recorded the details of all liquor brought into the warehouses, such as quantity, kind, size of bottle, day and hour received and names of persons connected with the shipment. The book must also show details of all shipments out, including such facts as the number of the motor car or truck in which liquor is taken away and the person in charge of it. Then every Saturday the man in charge of the warehouse must make a full and complete inventory of all liquor on hand. Liquor inspectors and police are to have admittance to any warehouse at any time and have access to all books.

It is expected that the regulations will enable police to trace most local bootleggers.

## GERMAN MARKS TOUCHED A NEW LOW LEVEL IN U.S.

New York, July 31.—The price of German marks dropped to 14 1/2 cents a hundred, a new low record, in the early dealings in foreign exchange here to-day, but rallied later to 15 1/2 cents. Demand sterling and continental remittances also eased slightly. Foreign exchange dealers report that little commercial business is being transacted in marks, German business firms for several weeks past having made all contracts on a dollar basis. A large percentage of the marks now being bought here is acquired by individual citizens for remittance to relatives and friends in Germany.

## ROUND-THE-WORLD AIRMAN ABOUT TO FLY ACROSS CHINA

Lahore, India, July 30.—Major W. T. Blake, British aviator, who left England on May 24 on an attempted round-the-world flight, arrived here yesterday from Quetta. The next stage of the journey will be across China to Japan, and thence to Alaska, following the line of the Aleutian Islands.

Ontario produced about sixty per cent of the total, or \$15,032,700.

## Big Demonstrations Against War Seen In European Cities

London, July 31.—As part of a no-war demonstration throughout the world, thousands gathered yesterday in Hyde Park and heard prominent members of the clergy, social workers and Labor leaders speak against military strife. Processions from all parts of the city converged in the park and assembled before twelve platforms. A resolution against war was offered by ex-servicemen.

The same resolution was proposed at a hundred similar demonstrations in towns and villages throughout England.

In Berlin, the former palace grounds of the one-time Kaiser Wilhelm in the Lustgarten, where martial trumpet blast a few years ago greeted the war lord of monarchial Germany, yesterday echoed and re-echoed with the shouts and speeches of some 50,000 republicans opposed to war.

The gathering was part of the international movement to observe the eighth anniversary of the commencement of the Great War. It was held by the "No More War" Assembly. Similar meetings had been provided for in more than 200 German cities and towns.

## H. W. TREAT, OF SEATTLE, LOST LIFE NEAR CHILLIWACK

Mining Man Victim of Auto  
Accident

His Motor Slipped Down an  
Embankment

Chilliwack, B.C., July 31.—Harry Whitney Treat, a wealthy Seattle man, who is widely known as a mining man and horseman, was killed in an automobile accident late Sunday night. His neck was broken when his automobile slipped down an embankment. A coroner's jury this morning brought in a verdict of accidental death.

Go From Seattle

Seattle, July 31.—Mrs. Harry Whitney Treat and her daughter, Patricia, and Loyal, left here to-day to obtain the body of her late husband, who was killed early to-day near Chilliwack, B.C., just over the Canadian line in the Mount Baker region.

Mr. Treat had lived in Seattle eighteen years. He built the Ballard farm, now part of the municipal system, and developed the Britannia Mine in British Columbia, now known as the Howe Sound property. He was a graduate of Cornell University, where he distinguished himself as a lightweight boxer. His brother, Brigadier General Charles G. Treat, of the United States army, retired, lives in San Antonio, Texas.

Mr. Treat was prominent as a horseman. He was active in the life of the principal clubs of this city.

Mr. Treat was well-known on Vancouver Island. He held a number of licenses for coal mining leases in the Oyster district and his interests here often brought him to Victoria. He came here often, too, in connection with various sporting events, notably automobile racing, in which he was keenly interested. He acted as judge in motor races on several occasions.

Mr. and Mrs. Treat, social leaders in the "Dardanelles," signs warning motorists of the dangers of driving during their frequent visits.

Mr. Treat was prominent as a horseman. He was active in the life of the principal clubs of this city.

Mr. Treat was well-known on Vancouver Island. He held a number of licenses for coal mining leases in the Oyster district and his interests here often brought him to Victoria. Mr. and Mrs. Treat, social leaders in the "Dardanelles," signs warning motorists of the dangers of driving during their frequent visits.

## CUTDOWN SPEED ON "DARDANELLES"

Police Board Orders Police to  
Enforce Fifteen-mile Limit  
on Fort Street

In an effort to prevent accidents in the narrow portions of Fort Street, the City Police Commission to-day instructed city police to enforce with the utmost severity the legal fifteen-mile-an-hour speed limit in the "Dardanelles." Signs warning motorists of this fact will be erected at both ends of the "Dardanelles" immediately and automobiles and street cars will be forced to proceed slowly from Yates Street in the west to Oak Bay Avenue in the east.

In ordering traffic to slow up on Fort Street the Police Commission is following out the request of the City Council. Slowing up of the traffic is regarded as a temporary measure to prevent accidents until Fort Street can be widened or made a "one-way" thoroughfare.

The strict letter of the law, limiting the speed of automobiles and street cars to fifteen miles an hour will be enforced. Police Commissioner W. E. Staneland declared to-day. "Signs warning the public of this fact will be placed at Yates Street and Oak Bay Junction and by agreement with the B. C. Electric Railway Company, will be illuminated at night. The police have been instructed to see that this warning is observed. The law will be enforced without fear or favor. No speed over fifteen miles an hour will be allowed."

## BACK TO OTTAWA.

Ottawa, July 31.—Premier King spent the week-end at the summer camp of Dr. McDougall, chairman of the Montreal Harbor Commission, in the Adirondacks and is returning to Ottawa to-day.

## JULY CANADIAN BUILDING CONTRACTS WERE \$26,694,200

Toronto, July 31.—During July construction contracts awarded in Canada, according to McLean Building Reports, Ltd., amounted to \$26,694,200, against \$25,420,000 in June and \$15,741,400 in July, 1921.

Residential building accounted for 35.3 per cent of the July total; business building to 28.5 per cent; industrial building to 2.5, and public works and utilities 28.9 per cent.

Ontario produced about sixty per cent of the total, or \$15,032,700.

## INFANT TODDLER INTO WATER AND IS FOUND DROWNED

Eighteen Months Old Child  
Falls Into Water

Parents Were Visiting in  
James Bay

Thinking their children were safely at play in a garden, Mr. and Mrs. Louis Smith, of 2002 Cedar Hill Road, looked from a window of a house they were visiting to see the body of their eighteen-month-old son, Earl Smith, floating in the water at the foot of Montreal Street, in the Inner Harbor.

Mr. and Mrs. Smith were visiting H. Woodbury, a brother-in-law, and Mrs. Woodbury, at 454 Montreal Street, yesterday afternoon, the children, Earl, eighteen months old, and Lloyd, aged four, being allowed to play in the garden, which slopes down to a landing stage on the water at Montreal Street. The children left the house at 1 p.m. and had not been away more than a few minutes when Lloyd was heard to shout, first attracting the parents' attention.

Mr. and Mrs. Smith, accompanied by J. A. Farrell, and Mr. Woodbury ran to the scene to find the body of little Earl Smith in the water. Mr. Farrell picked up the child. Notwithstanding desperate attempts to revive the little life, all efforts were in vain.

Pulmotor Is Utilized.

Dr. Thomas Miller and Dr. Williams attended, with L. Taylor, of the Victoria Fire Department, the pulmotor being called into use. The most persistent effort to promote breathing again were futile.

The remains were later moved to the R. C. Funeral Co. premises, Coroner E. C. Hart stated to-day that he did not see any necessity for an inquest. He will investigate the accident, in person.

## TO REUNITE CHINA IS TASK OF PARLIAMENT

Elected Members Meet for  
First Time Since 1917

President Asks Leaders to Be  
Unselfish

Peking, July 31.—China's Parliament is expected to convene here tomorrow, the first meeting since 1917. Upon its courage to proceed with the reunited China programme hang the plans and hopes of President Li Yuan-Hung. To-day there was uncertainty whether sufficient members would be available to form a quorum, but members who had arrived in Peking asserted they would continue in session until the Parliament should be able to function.

Both the President of the Senate and Speaker of the House of Representatives have declared their determination to restore parliamentary government in China.

Problems facing parliament include the depleted national treasury, discord among the provinces and hostility of military forces who do not want their troops disbanded.

An Appeal to Leaders.

President Li described the situation as the gravest since the republic was established. He said he hoped that with the reassembling of Parliament, China's leaders would abandon selfish ambitions and devote their energies to stabilizing the country.

President Li also wants Parliament to decide his status as President. He said he would be glad to resign if Parliament should elect another man to the position.

In this connection General Tiao Kun and General Wu Pei Fu have been mentioned as possibilities for the presidential chair. Both these men were private soldiers. Both have factions working in their interest, although General Wu recently declared he had no presidential ambition.

Army Reduction.

Among the schemes which President Li urges Parliament to adopt are reduction of the present force of 1,500,000 soldiers to a number sufficient only for defensive purposes, abolition of the Tchuans, and formation of a federation of provinces under a capable central Government, and the reorganization of the nation's finances.

## NORTHLIFFE FAILS TO REGAIN BODILY STRENGTH

London, July 31.—The physicians in attendance on Lord Northcliffe say the condition of their patient still is causing them anxiety. The endocarditis, they say, is showing no signs of improvement.

## RAILWAY CHIEFS TO BE NAMED THIS WEEK

Ottawa, July 31.—One of the important decisions to be made by the Cabinet this week is that concerning the personnel of the new board of management of the Canadian National Railways. It is expected the new directors will be named early in the week.

## DEALERS MOVE AGAINST TOBACCO "BOOTLEGGERS"

Windsor, Ont., July 31.—In a memorandum forwarded to the Department of Customs, Windsor tobacco dealers ask that the "tobacco bootlegger" be put out of business by putting a watch at the ferry boat and imposing heavy penalties on those caught bringing tobacco products from Detroit.

The favorite brands of Canadian cigarettes cost forty cents for twenty, while American cigarettes of the same quality are sold at fifteen cents for twenty.

## BOARDS PREPARE TO CHIEF INTO RAILWAY AFFAIRS

Two More Canadian Arbitration  
Appointments

Ottawa, July 31.—(Canadian Press)—The railway labor situation in Canada was further cleared to-day by the appointment of two boards of conciliation authorized to investigate the wage dispute between the Grand Trunk Railway and the Canadian Brotherhood of Railway Employees and between the Canadian National Railway and the Brotherhood. H. S. Ross, K. C., Montreal, has been selected by the employees as their representative on both boards.

The chairman of the Grand Trunk Railway board is Mr. R. C. McLean, vice-president of the National lines, while George D. Kelley, Ottawa, is acting for the company. The chairman of the Canadian National board is Mr. R. C. McLean, vice-president of the National lines, while George D. Kelley, Ottawa, is acting for the company.

Officials of the railway brotherhood here have not yet received any intimation that the companies contemplate withholding the wage cuts until after the boards of conciliation have reported.

The new board of management of the National lines, the appointment of which is expected this week, might give a decision on way or other.

Awaiting Statement.

Montreal, July 31.—The 40,000 railway shippers throughout Canada affected by the recent wage reduction of approximately six per cent ordered by the Canadian Railway Association are to-day anxiously awaiting word from the Minister of Labor as to whether the association will enforce the cuts before the conciliation board has an opportunity to deal with the matter. The consensus of opinion among union executives is that if the railways put the reductions into force prior to the board's findings, a general strike will be called.

Thirty-six, vice-president of the Boilemiers' Union, stated that the recent balloting plainly authorized the executive committee of Division No. 4, American Federation of Labor, to call such a strike.

Major Winder stated to The Times to-day that he had received a letter from Sir Keith Smith stating that he expected shortly to leave Australia for the Orient and would arrive on this coast from the Far East about September.

Mapping Out Flight.

"Sir Keith is mapping out his proposed world flight from London," said Major Winder. "The route he proposes to take from the Orient will be via the Kurile and Aleutian Islands." From the advice received by Major Winder, Sir Keith Smith will come through Victoria.

Major W. C. Brooks, D.F.C., arrived here to-day with Major Winder. They are the two British aviators who made the London to Cape Town flight, and are now associated with the Vickers' aerological plant.

The two noted aviators are returning to England after making investigations in the Orient.

## FIGURES SHOW BUILDING IS SPEEDING UP

Much Greater Activity Here  
Than Last Year, Returns  
Prove

Speeding up of building in Victoria is reflected in figures issued at the City Hall to-day by Building Inspector James Barff.

Thirty-six permits, representing an expenditure of \$42,250, were issued in July, making the total number of permits this year 262 and the total expenditure \$476,000. Last year at this time 239 permits, representing an expenditure of \$499,853 had been issued but this year's permits do not include the biggest building projects of the year. The cost of the new Arcade Building, the new Woolworth store and the new Bank of Nova Scotia all must be added to the \$476,000 total for the first seven months of 1922. Permits for these new buildings have not been formally completed yet, but their cost will bring the total for this year to a figure much above that of last year at this time.

A few months ago the city building officials noted a decrease in the construction of garages and an increase in home building. Now the tendency is in the old direction again, it was stated at the City Hall to-day. More garages and less homes are being built.

"People are going in more for automobiles and less for homes," one official explained.

## PLAN LIBERAL PICNIC

Saturday, August 19, is the date set by the committee in charge of the monster Liberal picnic to be held at Deep Bay. The function will be one of the largest outdoor celebrations held this summer. A special meeting of the executive committee of the Liberal Association has been called for Wednesday evening at 8 o'clock in the Liberal Club to arrange for the appointment of committees and other details in connection with the picnic.

Arrangements will be made with the B. C. Electric Railway Company to run trains to the picnic grounds. An excellent programme of sports is also being arranged, and the public will be invited to attend.

## MAN DIED AT 108.

Chicago, July 31.—Samuel de Grosse, aged 108, died here yesterday. "Eat carefully, drink only moderately, let smoking and chewing alone, and above all else, be faithful to your religion," was the advice he was fond of offering to his seven children, 45 grandchildren and 27 great-grandchildren.

## GREEKS ARE WARNED Constantinople Is To Remain Neutral

Constantinople, July 31.—British troops were to-day being transferred across the Bosphorus from the Asiatic to the European side, crossing Constantinople on their way to the Tchalatali line, thirty miles west of the city, to reinforce the French troops.

The Allied military staff has announced that under no circumstances will it permit a Greek advance on Constantinople, being prepared to oppose by force any attempt at violation of the neutrality of the city, whether by Turks or Greeks.

The concentration of Greek forces in Thrace is continuing and reports of clashes between Greek regulars and Turkish police, in which two of the latter are said to have been killed, have caused considerable excitement here.

The French have been especially active in getting the defence line ready to meet all eventualities.

Advices reaching their headquarters are to the effect that four full Greek divisions are now concentrated in Thrace, with the Greek General Staff at Cherkess Kou, thirty miles west of the town of Tchalatali.

## SIR KEITH SMITH COMING THIS WAY

Famous Aviator Is Planning  
New World Flight

Word Received by Major B. H. Winder, Arriving Here

Sir Keith Smith, famous British aviator and brother of Sir Ross Smith, who was killed in England just prior to the world flight, which followed the fatal accident, was taken up by Major Blake, expected to arrive in Victoria from the Orient in September in the course of his tour to map out the route for another world flight, according to Major B. H. Winder, who reached here to-day by the liner Empress of Asia from the Far East.

Major Winder stated to The Times to-day that he had received a letter from Sir Keith Smith stating that he expected shortly to leave Australia for the Orient and would arrive on this coast from the Far East about September.

Mapping Out Flight.

"Sir Keith is mapping out his proposed world flight from London," said Major Winder. "The route he proposes to take from the Orient will be via the Kurile and Aleutian Islands." From the advice received by Major Winder, Sir Keith Smith will come through Victoria.

Major W. C. Brooks, D.F.C., arrived here to-day with Major Winder. They are the two British aviators who made the London to Cape Town flight, and are now associated with the Vickers' aerological plant.

The two noted aviators are returning to England after making investigations in the Orient.

## FRENCH DESIRE DISCUSSION OF REPARATIONS SOON

Poincare Would Meet Lloyd  
George Before August 15  
Committee on Guarantees  
Prepare Report

Paris, July 31.—The French Government urgently desires that the conference on reparations between Premier Poincare and Lloyd George be held before August 15. This desire was conveyed to the British Government. It is, in the opinion of M. Poincare, greatly desirable that Belgium and Italy be represented at the deliberations, but that the invitations be issued by the British Government.

Preparing Report.

Paris, July 31.—The Allied Committee on Guarantees is still at work to-day on its report regarding the German economic and financial situation, which it investigated during its recent visit to Germany, and the recommendations to be submitted to the Reparations Commission, based on the Committee's findings. The report and recommendations, it is expected, now will not be presented to the commission before Wednesday.

## JAPAN AND FAR EASTERN REPUBLIC TO NEGOTIATE

Moscow, July 31.—The negotiations between Japan and the Far Eastern republic, broken off after protracted discussions at Dairen, are to be resumed soon as the result of an exchange of notes in which Japan has agreed to evacuate all her troops from the Premesky district by November. Japan also has agreed to participate in the Soviet Government in the pourparlers, which she suggests should be held in Harbin or Dairen.

## MADE VALUABLE SEIZURE

Whiffs examining the Empress of Asia, inbound from the Orient to-day, customs officers brought to light 28 half pound tins of a high grade opium, cached in the false bottom of a trunk belonging to a Chinaman in the steerage. The Chinaman was en route to Nanaimo, where he belongs from his native land. The opium has been handed to the Royal Canadian Mounted Police, and will be the subject of police court charges, it is said.

## CABINET PLANS TO DEAL WITH COAL PROBLEM

Steps Will Be Considered at  
Ottawa

Ottawa, July 31.—(Canadian Press)—With Premier King expected to return to his office some time during to-day, Hon. W. C. Kennedy, Minister of Railways, and other Ministers already back in the city, Cabinet action on some of the more pressing questions facing the Government is expected during the next few days. The Cabinet is slated to meet at 2:30 to-morrow afternoon by which time it is expected that the majority of the Ministers will have returned to Ottawa after spending the week-end out of town.

Cabinet action in respect to the coal situation is expected. Just what form this will take is as yet uncertain, but there is stated to be a likelihood of steps being taken to ensure a supply of coal for Canadian industries and householders in the face of the shortage in the anthracite supply from the United States.

## SHIPS AVAILABLE

Toronto, July 31.—Regarding the announcement from Washington that Canada will have to look out for herself in the matter of a supply of coal, it was learned to-day that the Federal authorities at Ottawa had already asked the Canadian Merchant Marine to report on the importation of coal, more particularly from Wales and Scotland, and a report is being prepared.

A purely Canadian phase is the suggestion that Nova Scotia be used to the fullest extent as a fuel source of supply. One thing that makes this doubly important is the availability of twenty or thirty Canadian vessels. These could be used to transport coal by water from Nova Scotia to Toronto, if necessary.

In Necessary.

Washington, July 31.—The Government machinery for emergency distribution of coal swung into gear to-day as the Central Coal Committee here, with Henry R. Spencer, Federal fuel administrator, at the head, began active functioning under the programme devised to supply coal to the industries and localities where it is most needed and to maintain a fair price for the mines. The central control organization was rapidly being perfected, it was said, with the organization of an adequate staff to handle the rush of reports and orders expected to flow through Washington.

Accepting only the responsibility of keeping the railroads and interstate public utility companies with coal and directing a proper distribution as between states, at the same time through car allocations holding mine prices at a fair level, the Federal agency looked to the various states to control distribution and prices for consumers within their borders. In many states creation of the necessary administration for this work already has been reported to the Central Coal Committee.

## GREEK AUTONOMY PLAN IN ASIA MINOR

Smyrna, July 31.—A proclamation announcing the establishment of a regime of self-government for the regions in Asia Minor occupied by the Greeks was issued Sunday by M. Stergiadis, Greek Commissioner.

The proclamation states that the new regime is in conformity with the principles recognized by the Entente Allies during the Great War and decrees a Greek protectorate over the region.

## HARRY BOLAND WAS WOUNDED IN IRELAND

Belfast, July 31.—Harry Boland, formerly representative of the Daily Freeman in the United States, is in a critical condition in a Dublin hospital, says a Dublin message to-day, as a result of wounds received in attempting to evade capture by Irish Free State troops.

Boland and a friend were spending a week-end at the Grand Hotel in Skerries. This morning at 10 o'clock troops surrounded the hotel and soldiers entered Boland's room. Boland drew a revolver, during the scuffle that followed, the message adds, he was shot in the abdomen. Boland's companion also was arrested.

## FRANCE INSISTS GERMANS PAY

Unwilling to Reduce Citizens'  
Debt Instalments

Asks Berlin to Reply Within  
Ten Days

Berlin, July 31.—France has rejected German's request for a reduction in the monthly payments owing on the debt clearing house office, other nationals with Allied citizens prior to the world war.

The French note gives the German Government ten days in which to signify that full payments will be continued in accordance with the London agreement and the decision of the Allied clearing house office, otherwise certain fixed measures will be applied automatically.

A serious view of the French reply is taken here, especially as the note was dispatched on the eve of the conference of Allied Premiers in London. Germans had asked that the clearing house payments be reduced from £2,000,000 to £500,000 monthly.

## CITY TO BE BECCA SHORTLY OF MANY NOTABLE PERSONS

Next Two Months Will See  
Important Gatherings

All Tastes to Be Satisfied in  
August and September

Not for several years has there promised to be so many important engagements during the months of August and September as are anticipated in Victoria this year.</

### INSURGENTS WERE FORCED TO RETREAT

#### Irish Troops Fought Near Limerick; Deaths Elsewhere

Dublin, July 31.—Four hundred Irish Free State troops who left Thurles Saturday were attacked near the village of Golden by insurgents. After an engagement lasting twenty minutes, the insurgents retired toward Tipperary, leaving behind them a quantity of equipment and munitions. One prisoner was taken by the national troops.

#### Death in Belfast.

Belfast, July 31.—A police outpost here was attacked, and one constable and two of the attackers were wounded. Later a gang attacked two draymen and fatally wounded one of them.

Dublin, July 31.—Two colonels and five soldiers of the Government forces were killed and seven were wounded near

Maryboro Friday night by irregulars. The colonels met death during an ambush by the irregulars, while the other Free State troops were killed when an armored car in which they were proceeding to remove a mine was blown up.

Reinforcements which arrived from Maryboro were attacked by the irregulars. Three officers were wounded, two of them fatally.

Eighteen irregulars were captured with arms and ammunition.

### BOTTOMLEY UNABLE TO SECURE DELAY

#### Vainly Asked British Commons Postpone His Expulsion

London, July 31.—(Canadian Press Cable)—Replying to the request from Horatio Bottomley's solicitor for a postponement of the motion for the expulsion of Bottomley from the House of Commons pending the hearing of an appeal of the case by the House of Lords, the Speaker of the House of Commons has intimated that he is unable to interfere.

### THREE DROWNED IN THOMPSON RIVER

#### L. O. Fraser, Son and Daughter, Lost Lives at Kamloops

Kamloops, B.C., July 31.—L. O. Fraser, of P. Burns & Company, his sixteen-year-old son and his thirteen-year-old daughter were drowned in the Thompson River Sunday afternoon. The father and son had gone to rescue the daughter who, while bathing, had got beyond her depth. A returned soldier named Hodges made a gallant attempt to save the three, but himself narrowly escaped death.

The body of young Fraser was recovered, but dragging for the other bodies has not as yet been successful. Mr. and Mrs. Fraser, with their son and daughter, recently arrived here from Calgary.

### POINCARÉ SAYS: GERMANY MUST BE MADE TO PAY

Paris, July 31.—The share of the United States in the Argonne fighting was commemorated yesterday when a memorial to 15,000 killed in the forest was unveiled at Hainaut. Poincaré delivered the unveiling address. "Germany was responsible for the war. She ought to repair the evil she has done. Willingly or by force she shall repair it," he said.

### FOUR HAD NARROW ESCAPE IN CRASH

Edmonton, July 31.—Four Edmonton young people had a narrow escape from death at Seba Beach on Saturday afternoon. A large motor car was being driven by Wm. Morrison and when it had crossed the railway tracks at Seba Station, the steering gear broke. The car plunged through a railing which guarded a steep bank and went over the embankment, crushing 40 feet and turning over several times. No one was badly injured.

### AUTO ACCIDENT CAUSED DEATH

Toronto, July 31.—One man was fatally injured, a young woman was seriously hurt, and four persons sustained injuries and burns in an accident early Sunday morning when a taxicab driven by Angus Fraser overturned after jumping the curb and caught fire. Daniel Shea, 27, died of a fracture of the skull.

Madge McKay, 23, is in hospital with concussion of the brain and burns, and Frank Windsor, Victor Lee, 25, and Irene Thompson are suffering from burns, cuts and bruises.

Detroit, July 31.—Five persons were killed and one injured when an automobile, occupied by the five, attempted to avoid a collision with another machine and crowded in front of a speeding Detroit and Pontiac Interurban car, just north of here.

### CROP CONDITIONS ARE DESCRIBED

#### Grant Hall, C.P.R. Vice-President, Gives Optimistic Report

Winnipeg, July 31.—"As nearly as can be judged at this time I should say that between the Great Lakes and the Pacific Coast the crop, cereal, fruit and vegetable, will be one of the best we have ever had. That is the opinion of Grant Hall, vice-president of the Canadian Pacific Railway, who is in Winnipeg after spending three weeks in the Western provinces, having traveled mostly in daylight to make a close inspection of the railway as well as get a personal opinion of the crop conditions.

"British Columbia is suffering from drought," said Mr. Hall, "but apparently it has not shortened the crop to any considerable degree, except possibly the apples in some districts. Right around Sumnerland is where they have suffered most, but in the Pentiction and Kelowna districts they are well up to the average, and the same is true of the Vernon district.

"On the prairies I think we have every reason to be hopeful. Along the main line of the Canadian Pacific, south to the international boundary, and for 175 miles north of the main line the grain crop is better than for several years. Of course there are districts where the heads are of good length and well filled, showing that the early moisture was sufficient to carry it through. The saw fly is making some progress, and just what it may do yet is somewhat problematical.

"To the frequently repeated question whether the Canadian Pacific will be in a position to handle all the business offered during the Fall of both grain and coal, Mr. Hall said the only answer to that was that the company had never yet gone into the Fall Rush with the expectation of falling down in the pinches, and therefore he did not think it would be wise to anticipate any such action this year.

Asked as to the possibility of a strike or shopmen, Mr. Hall declined to express any opinion, saying the whole matter had now taken on a judicial aspect, as a conciliation board had been applied for and granted, and he did not care to discuss it from any angle.

### BODY WAS FOUND NEAR COQUITLAM

Vancouver, July 31.—The body of an unidentified man was found under a stolen automobile on a lonely road near Coquitlam Saturday night. Apparently the car had struck an obstacle and turned over. It is the property of Oscar Olsen, of Langham, Wash., and was stolen Saturday night while Mr. Olsen was on a visit to this city.

### TWO KILLED IN AEROPLANE CRASH

Middletown, July 31.—Lieut. Tracey Lyons, of the aviation section of the United States Army, and Augustus Altemeyer, Jr., of Port Jarvis, were killed at Port Jarvis Sunday when an aeroplane in which they were flying crashed to earth. Breakdown of a propeller caused the plane to take a fatal nose dive.

### NEW STAMP TAXES TO START AUG. 1

#### Cheques and Other Forms of Paper Affected

Ottawa, July 31.—To-morrow important changes will apply to the stamp taxes on telegrams and cables, cheques, promissory notes, bills of exchange, over-drafts, express money orders and stock transfers. The rates will go into effect on August 1 and will be:

Telegrams and cables, three cents on cash message, other than press messages, costing 15 cents or more. Cheques, bills of exchange, promissory notes, express money orders, two cents for each \$50, with a maximum tax of \$2.

Stock and bond transfers—three cents on each \$100 of par value. The above tax on bills of exchange and promissory notes will apply when they are transferred to a bank in such a manner as to constitute the bank the holder, or when they are delivered to a bank for collection. In the case of a promissory note transferred to a bank for an advance by the bank or advances by way of overdraft, the tax will be two cents for every \$50 of the maximum amount advanced.

It is expected that an official announcement on the taxes will be issued shortly.

### TRADE UNION BILL ROUNDLY ATTACKED

#### Unlikely British Measure Dealing With Political Funds Will Be Passed

London, July 31.—(Canadian Press Cable)—The Union bill amending the Trade Union Act of 1913 has been put through the committee stage and is awaiting third reading, but the storm of indignation which the measure has provoked among the trade unionists renders it unlikely that the Government will provide facilities for third readings. The Act of 1913 was passed to meet objections to the famous Osborne judgment, which declared that the devoting of union funds to political purposes was illegal. The judgment provided that trade unionists must find the money for political work by the special levy.

### SPECIAL SESSION INDEMNITY \$250

#### Remuneration Set by Members of Alberta Legislature

Edmonton, July 31.—Each member of the Alberta Legislature will receive \$250 for the present special session, called to deal with Wheat Board legislation.

The Government's proposal was for an indemnity of \$200, but on Saturday afternoon Robert Pearson, Independent member for Calgary, called attention to the fact that the Saskatchewan members drew \$250 for their special session, and upon his motion the Alberta allowance per member was increased to \$250 by a majority vote of the House.

W. G. Johnston, Labor member for Medicine Hat, protested against the members not also being allowed traveling expenses to and from the special session, but later withdrew a motion that these be allowed. The bill was amended in committee to entitle each of the sixty-one members of the House to the indemnity, two members being absent through illness.

### SMYRNA WILL HAVE AUTONOMY

#### Greek Government Is Planning to Make Change

London, July 31.—A Reuter dispatch from Athens says autonomy for Smyrna and adjacent territory under Greek occupation is to be proclaimed immediately. Under the new regime, the people will have extensive self-government.

The dispatch adds that it is rumored Prince Nicholas will be appointed Governor of Smyrna and that elections will be held in the new state, these to be followed by application for recognition by the powers.

According to dispatches, the understanding is that the Greek Government's decision, outlined in Saturday's note to the Allies, will not be put into execution for the present.

### YOUNG MAN ENDED HIS LIFE IN EDMONTON

Edmonton, July 31.—Lawrence Smith-Alliston, 21 years, who arrived in Edmonton from South Africa a few days ago, killed himself in a local hotel Saturday afternoon. He had been suffering from the intention of learning farming and was to meet a brother here.

Together they were going to the coast, the present home of their mother, Mrs. William Anderson, Victoria.

### VITALITY and HEALTH

New Treatment Brings Them Quickly Strong muscles, a keen eye, the most abundant strength and energy, and a splendid proportioned figure are yours almost for the asking. Just take two tablets of Ironized Yeast three times a day. Everyone knows that yeast is a wonderful builder of health, vitality, strength and good solid flesh and muscle. And the new ironization process enables the yeast to do its work twice as quickly. Get Ironized Yeast from your dealer today, and become the strong, well-formed athletic man you've always wanted to be.

FREE TRIAL To try Ironized Yeast entirely free for 3 days. Trial Treatment Address Harold F. Kitchie & Co., Ltd., Dept. 86, Toronto.

### IRONIZED YEAST Tablets

THE ONLY YEAST THAT IS GENUINELY IRONIZED

### ORLANDO UNABLE TO FORM CABINET

#### Italian Task Too Heavy Because of Factional Strife

Rome, July 31.—The Republicans and Fascisti at Ravenna have signed a treaty of peace, whereby the former have ordered a cessation of the strike which they called several days ago and the Fascisti have ordered demobilization of their bands.

Vittorio Orlando, who had been requested by King Emmanuel to form a Cabinet, visited the King last evening and informed him that he had found it impossible to carry out the task because of the intransigence of both the Socialists and Fascisti. The Socialists said that if a new Government were formed within the majority group which overthrew the Facta Cabinet the Socialists would bring about a general strike throughout Italy.

#### A VANCOUVER DEATH.

Vancouver, July 31.—Mrs. George H. Middlemiss, 1312 Dunbar Street, a resident of Vancouver for thirty-one years, died yesterday afternoon at 4 o'clock. She was 72 years of age. The wife of George H. Middlemiss, a superannuated employee of the C. P. R., Mrs. Middlemiss came to Vancouver from Winnipeg with her husband in 1911. She had a very large circle of friends, in Vancouver who deeply regret her passing.

She is survived by the widower, a daughter, Edith, on the teaching staff of the Henry Hudson School, and two sons, Fred, in the office of the District Superintendent of Postal Service, and George, residing in Winnipeg. Her brother, W. Hook, retired from the customs service here, is a resident of Vancouver, having come from the East with his sister.

### VANCOUVER ISLAND News

#### URGED FARMERS BE ALLOWED TO KILL GAME BIRDS

(Times Correspondence.)

Duncan—Cowichan residents who attended the meeting of the Game Conservation Board in Vancouver last week bring back the report that the following resolution, put forward by the Cowichan Fish and Game Association, was well received and endorsed by the representative of the B. C. Farmers' Union and nearly all the delegates from other associations:

"That the Government should arrange for payment to farmers for damage done to crops by game birds as their shooting, which has caused damage; but that in the event of the Government being unable to do this, or of the scheme being considered undesirable or unworkable, farmers should be protected in the following manner:

"1. That farmers who can show that their crops are being damaged, or are in danger of being damaged, should, under permit, be allowed to shoot quail and cock pheasants.

"2. That such permits should be obtainable from the game warden or other appointed responsible person at any time.

"3. That each permit should be available for a specified time only, and that at the end of such time the farmer should be required to furnish a report to the person who issued the permit as to the number of birds of each species he has destroyed.

"4. That the permit should be issued for that portion of a farm on which the said crop is being grown and should not be held to authorize the farmer to shoot on any other portion of his farm or any other land.

"5. Referring to paragraph 2, section 2 of the Game Act, that the words 'not less than 10 acres of should be deleted.'

Many farmers were present from other parts and put their case very forcibly before the board, and they also endorsed the resolution from Cowichan Association.

The Board was strongly urged by all the delegates to have game wardens appointed throughout the Province instead of provincial police constables.

### COUNCIL OF DUNCAN BOARD OF TRADE MET

(Times Correspondence.)

Duncan—At a meeting of the Council of the Duncan Board of Trade last week there attended the president, Geo. A. Cheeke and Messrs. Head, Kirkham, Marlow, Neil, Savage, Tanner, Wallich, Wallis, Dr. Kerr, Col. Oldham and the secretary, T. Ruffell.

The secretary was asked to write a letter to the Government thanking it for the 10,000 trout fry received for Shawinigan Lake.

The minutes of the Cobble Hill-Shawinigan Lake branch meeting held on June 21 were read and filed. The minutes of another meeting of this branch were also read and dealt with, and finally filed.

Reports of committees were then asked for.

The chairman announced that Mr. Monk found it impossible to continue to act as chairman of the Publicity and Tourist Committee. Dr. Kerr kindly consented to take his place.

For the Fish, Agriculture and Forestry Committee, Mr. Prevost announced that a resolution had been sent to Ottawa urging that the use of salmon eggs as bait be prohibited.

## IT OUGHT TO WORK.

Irish Free State leaders, and the British Government have heard that it is the intention of American capitalists to take an interest in Erin's Isle with the object of suppressing all forms of violence by the introduction of an era of prosperity such as Ireland has never seen since the dawn of history. To put it briefly the plan involves the employment of capital from the republic to the South in the construction of up-to-date hotels and modern highways. Those interested in the scheme are convinced that tourists from the United States would visit the Free State in enormous numbers if only they could be assured that their holiday there would be as comfortable as anywhere else in the British Isles.

Hundreds of thousands of Irish people would gladly visit their native heath under those conditions; but they are not falling over their feet in a hurry to renew the associations of childhood as long as it involves the exchange of a free and easy existence with the dangers attendant upon civil war. How long it would take to develop a proposal such as that which is now being seriously considered depends upon the people who would be the chief beneficiaries. In the meantime the forces of law and order are preparing the way for all who wish Ireland well. Figuratively choked with prosperity should be a comparatively peaceful figurative death.

## QUITE NEEDLESS.

During the course of his tour of investigation in Canada Sir William Beach Thomas—Lord Northcliffe's special emigration envoy—spent some time on Vancouver Island. From his dispatches to the newspapers that are controlled from Carmelite House and Printing House Square he appears to have summed up the situation in this part of the Dominion fairly well when he declares that "only the workers win." In the main Sir William's articles are a fair presentation of the facts and should be read and digested by the intending emigrant. He deals with the successes which came to his notice and his investigation appears to have given him a clear insight into the causes of many failures.

On the other hand Sir William failed to escape the allegedly funny story of the misfit. In his report from this city which appeared in a recent issue of The Daily Mail he relates a successful feminine settler's description of the sort of individual who writes to Old Country newspapers and complains that farming in Canada does not pay. Here is the yarn applied to a retired officer—presumably somewhere in this neighborhood—as it appears: "He drives his Rolls-Royce into the market with a dozen eggs, carries 40 cents back to his palace, and in the evening, after his game of tennis, writes to the British papers to say that farming in Canada does not pay."

There is no harm in using local color to impress a missioner from the great Northcliffe. But if the paint be applied too thickly it amounts to a process of discounting intelligence that almost destroys the whole effect of an otherwise faithful presentation of the facts. Special investigators should understand that the intending emigrant is looking for information and not nonsense. And since when has this pretentious car nosed out the ubiquitous vehicle that is reputed to be able to do anything on the farm or in the city?

## SUMAS.

As the Sumas reclamation undertaking proceeds it becomes increasingly obvious that the Legislature made no mistake in voting the necessary funds. It goes without saying that judg-

ment will have to be reserved until after next year's flood has applied its tests. But there is nothing to indicate to the expert eye that the final verdict will differ from the most optimistic expectations. In other words the direct benefit to the locality in which the project has been undertaken will be represented by the reclamation of 33,000 acres of soil that has been shown to be equal to the best in British Columbia—an area of country five miles by twelve or approximately the duplicate of the peninsula west of New Westminster. When the dyke has proved its stability this magnificent stretch will permit of immediate conversion into one of the finest gardens in the whole of the Province. Just what the addition of 33,000 acres of land that is not threatened by the annual floods will mean to the producing possibilities of the Fraser Valley can be better imagined than described.

## FINE SPORTSMANSHIP.

Sportsmen throughout the world will admire the courage and determination of Sir Thomas Lipton. Although his four successive Shamrocks have failed to capture the America Cup the veteran yachtsman has announced his intention of trying again next year. On this occasion some variation may be made in the regulations which govern this greatest of all marine classics. Should that be the case the Shamrock the Fifth may change the fortune of her owner. In any event this new challenge is a fine example of British sportsmanship.

## WEDNESDAY'S EXCURSION.

Interchanges of visits between the people of Vancouver Island and our neighbors to the South are becoming so frequent that one almost forgets the time when this excellent arrangement was not in full swing. But it has remained for the 16th Canadian Scottish to go one better than any other organization by arranging an excursion to Port Angeles on Wednesday that will require two vessels instead of one. In other words the demand for tickets has been so great that the full capacity of the Princess Adelaide will be quite inadequate to satisfy the demand. On that account the Princess Mary has been chartered to accommodate the overflow. Which means that those who anticipated making the excursion but applied too late for tickets by the Adelaide may now join the merry throng on the Mary.

## WILL CARRY IT OUT.

As might have been expected the Prime Minister of Great Britain will interpret the vote of the House of Commons on the question of the embargo against Canadian cattle as the Government's instructions from the elected representatives of the people to carry out the spirit and intent of the resolution at the earliest possible moment by the introduction of the requisite legislation. In other words he will not countenance any attempt that may be made by the supporters of the existing regulation to defeat the will of the majority of the members of the House by seeking to include in the amendment to the Contagious Diseases of Animals Act such quarantine provision as would amount to a continuance of the embargo. The statement which Mr. Lloyd George has made to the House of Commons can be taken as the Government's final word to this element as well as the Prime Minister's personal pledge to conform to the terms of the resolution for which he himself voted. The Lords will no doubt take due notice.

## NORTHERN ENTERPRISE.

People in the Northern section of the Province are to be congratulated upon their inauguration of an aeroplane service that will cater to a district hitherto untouched by the customary means of transportation. The machine left Prince Rupert on Saturday and its first commission is the delivery of one ton of supplies for prospectors at Two Brothers Lake. In other words its three-day journey will include all that territory which lies between Francois Lake and Ootsa Lake. Whether sufficient business may develop in this par-

ticular neighborhood to warrant either the continuation or the extension of this mode of transportation remains to be seen. But the progress that has been made in aerial navigation during the last five years should serve as a warning to those who suffer from acute attacks of railwayitis.

## NOTE AND COMMENT

According to an American savant an earthquake will take place shortly and swallow up Southern Europe and Northern Africa. There are some sections of the Old World that might be done without; but we fear the earthquake prophesy will miss the mark by quite a large margin.

It takes The London Saturday Review to discover new angles to matters of national or Empire importance. In dealing with the cattle embargo it says that English breeders will find difficulty in understanding how Empire unity will be furthered by a measure which changes a Canadian grievance into a British grievance. This is the typical insularity of the Tory press of Britain.

Now that the Labor Party and the Trades Union Congress have become the proprietors of The London Daily Herald Mr. George Lansbury has vacated the editorial chair. The veteran radical must be keenly disappointed when he reflects that his efforts in behalf of Communism have merely ended in the purchase of The Herald by that element which he had hoped to convert but which prefers to silence the one discordant note in the Labor orchestra rather than succumb to Bolshevik blandishments.

## Other People's Views

Letters addressed to the Editor and intended for publication must be short and clearly written. The longer an article the shorter the chance of insertion. All communications should be addressed to the Editor, but not for publication unless the owner wishes. The publication or rejection of articles is a matter entirely in the discretion of the Editor. No responsibility is assumed by the paper for MSS. submitted to the Editor.

## THE GORGE AND VICINITY

To the Editor:—One of the most popular city institutions is the free bathing accommodation provided at the city park at the Gorge. This is used daily by hundreds of residents and visitors during the season, and on any warm Saturday or Sunday afternoon is invariably well crowded with the jolliest crowd imaginable. Yet, beyond providing a most efficient and courteous caretaker, the Council has spent nothing on the place this year, apparently not even being able to provide for badly needed repairs. Just at present one of the rafts attached to the building is in a very dangerous condition, and other minor repairs are imperative for safety.

The city Gorge park and vicinity prove very attractive to many people, and the park itself is extremely attractive and splendidly looked after, yet the sanitary accommodation is nothing less than disgraceful; in fact, it is surprising the health authorities have neglected their obvious duty so long, with a residential district immediately adjacent. The recent deplorable accident on the Gorge road emphasized the fact that, despite hundreds of city children daily traveling over this road during their holidays to enjoy a swim, to say nothing of the many pedestrians who appreciate this beautiful walk, the city has so far been unable to provide any sidewalk for a great part of the distance, while such sidewalk exists, will, the undersigned heartily make an inspection and tell us what they think about it. And this on the Island Highway, with a continuous stream of motor cars in both directions!

Many people have expressed the opinion that the Gorge is the city's greatest asset from a tourist point of view. The city might well seize the opportunity to buy up Curtis Point and add it to the Park, afterwards working out a plan of development that would in time make this vicinity one of the most popular and attractive places on the continent. As a visitor recently remarked, "If the Americans possessed this beautiful place, just imagine how they would fix it up. Oh, boy!"

It is to be regretted that the V.I. A.A. has seen fit to mar the view from the bridge, despite Dame Nature's protests, with another construction suggestive of an oil derrick. How-

ever, time will, no doubt, again remedy this. At any rate, I would suggest they spend the next warm Saturday afternoon at the civic bathing house at the Gorge. I fancy on result would be an effort to have the raft renewed before they disappear entirely. CITIZEN.

## CITY SURRENDERS TO THISTLE ARMY

Cannot Hope to Fight Prickly Plants, Aldermen Declare

The City capitulated to-day to the army of thistles which has swept over vacant lots and roadsides in many parts of Victoria when the Public Works Committee of the City Council decided that the Noxious Weeds Act should not be enforced here this year. The aldermen said to-day that they had come to the conclusion that it was useless to try to fight the thistles for two excellent reasons:

(1) There are too many thistles.  
(2) There is too little money in the City Treasury.  
At the same time the City is appealing to property owners to do everything in their power to check the onward sweep of the thistles by keeping them out of their gardens. As the City cannot afford to cut the thistles on vacant lots or on roadsides, however, it will not prosecute people who fail to war on the thistles if the Public Works Committee's report is accepted, as it usually is, by the Council to-night.

## The WEATHER

Daily Forecasts Furnished by the Victoria Meteorological Department.

Victoria, July 31.—5 a. m.—The barometer remains high over this Province and fine, warm weather is general from the Coast to Manitoba. Showers have occurred in Northern Alberta and heavier rains in Saskatchewan.

## CHICAGO TANK

BLEW UP; MANY PERSONS SUFFERED

Chicago, July 31.—A tank sixty feet wide and 100 feet high, containing thousands of cubic feet of gas, blew up to-day at 12th and Throop Streets, a section inhabited mostly by laborers, injured more than a score of persons, set fire to a dozen houses and caused many persons within an area of several blocks to be overcome by the fumes. The flames were brought under control by the fire department.

HON. W. PUGSLEY PROBABLY WILL BE SENATOR

Toronto, July 31.—An Ottawa dispatch to The Star says it is regarded there as probable Hon. W. Pugsley, Lieutenant-Governor of New Brunswick, and formerly one of the stalwarts of the Laurier Government, will be appointed to the Senate shortly.

### MADAME BUTTERFLY FACES BIG PROBLEM

Japanese Prima Donna Has to Choose Between Career and Husband

Tokyo, July 31.—A dramatic conflict between the customs of old Japan, and modern Occidental ideas is darkening the life of Madame Tamaki Miura, the Japanese prima donna. She must choose between her husband's desires, which Japanese custom makes law for a wife, and her own ambition to resume her career as one of the world's greatest singers. On the outcome depends whether she will sail from Yokohama next week to fulfil a contract for appearances in Honolulu and a tour of the United States with the San Carlo and Chicago opera companies. Her husband, Masujiro Miura, who has accompanied the singer in her travels for the last eight years and has been supported by the earnings of his wife's voice, now wishes her to remain in Japan and be backed up by his family. She has attempted to hold the singer in Japan, even fabricating accounts of her illness to America and trying to break her contracts.

No real Japanese woman would dare to oppose the wishes of her husband and his family but Madame Miura, being largely westernized, indicates that she intends to break the Japanese custom, defy family and again take up her operatic career. Her problem will affect importantly the movement for the emancipation of Japanese women.

Madame Miura has just completed a tour from one end of Japan to the other, giving more than fifty concerts, and has everywhere been enthusiastically acclaimed as a national heroine. She is affectionately known as "Madame Butterfly."

Madame Miura has made several appearances in the role of "Madame Butterfly" in Victoria, singing with the Carl Rosa Company.

### CITY TO BE MECCA SHORTLY OF MANY NOTABLE PERSONS

(Continued from page 1)

of distinguished jurists are expected, about August 18. In this connection it is not certain how Vice-President Calvin Coolidge will travel between Seattle and Vancouver. If he comes by steamer Victoria may be able to extend a welcome to the Vice-President of the United States on that occasion.

On August 24, directly after the vice-regal mission is concluded here, will open the Fisheries Commission, composed of three Nova Scotia and four British Columbia members of the Fisheries Committee of the House of Commons, and this will bring a number of persons associated with the industry to the city.

**Parties in September.**

Two notable events have been announced for September, one the tour of the Montreal Board of Trade, and the other the arrival of the American Association of Passenger Agents. Both will be large parties, and they will come on successive days in the middle of the month.

With the Montreal Board of Trade tour of the West is expected to be a party of British parliamentarians, it being announced that 25 will come to Canada for the purpose. In the summer of 1911 there were eleven members of the British House of Commons, all travelling separately, in Victoria at once, but apparently that record is now to be outdistanced.

The above bodies are coming to Victoria as the definite end of Canadian journeys. There is, however, a party en route from the Antipodes which will make Victoria one of the numerous points of call in a great Empire tour. It is the British Empire Exhibition mission, headed by Major E. A. Reicher, an officer of the exhibition association, which is due on Saturday week. This body has visited South Africa, Australia, and New Zealand, and will spend some time in Canada, making representation at the great fair to be held near London, England. It carries an agricultural expert who will give special attention to the natural resources of the Dominion.

# THE SANDMAN STORY FOR TONIGHT

**MISS EARTH'S NEW GOWN**

In the by-gone days before anyone now living can remember, it is said that the Earth never had a white gown. That is, there was no snow, but always Summer, Spring or Fall. But one morning Miss Earth, then very young, said she was tired of all her gowns and complained to Mother Nature about it.

"I must have a new gown, Mother Nature," she said, shaking out the faded folds of her Autumn gown. "To that that those beautiful shades of crimson and gold should tarnish so."

"It will soon be time to put on your pretty pale green gown again, my dear," said Mother Nature. "Surely Nature about it."

"You know, too, the dainty pinks and yellows and other Spring shades are most becoming, my love. Now

## A One-Stroke Margin Secures Waldrous Title

Young Michigan Player Takes Canadian Golf Championship; Kerrigan of New York One Behind With Total of 304.

Montreal, July 30.—A. L. Waldrous, Redford, Mich., won the open golf championship of Canada on Saturday at the links of the Mount Bruno club, when he turned in a total of 303 for the four 18-hole rounds. His score by rounds—79, 75, 74, 75.

He only led Tom Kerrigan, Siwaney, New York, by the scant margin of one stroke, Kerrigan's rounds being done in 75, 73, 79 and 77, his aggregate being 304. Erick Bannister, Winnipeg, and A. C. Murray, Country Club, Montreal, were tied for third place with 309, while the other players near the top and in the prize money were: J. Gordon, Buffalo, 310, and Tom McNamara, Siwaney, 312.

All the above-mentioned are professionals. The leading amateur was R. McKenzie, a young Montreal newspaper writer, with 315. Waldrous won the Rivermead Cup and \$250, while Mr. McKenzie got a gold medal. Waldrous is only 21 years old and started out golfing as a caddy about the New York clubs. He is now a professional at Redford, one of the clubs in the Detroit district. He holds the course record for his own links, 66 for a par 72, and last year equaled the par for the complete Mount Bruno course.

Didn't Know His Chance. Kerrigan was among the leaders for the first eighteen holes Friday and led at the end of the second and third rounds. He was one stroke ahead when he started on the final eighteen Saturday. Waldrous yesterday played beautiful golf and had the advantage in playing out the complete round yesterday without knowing that he had a chance for the championship. Kerrigan, when he began his last eighteen holes, knew that he had to shoot a 53, five over par, to win. It evidently affected Kerrigan's playing, because he never seemed quite comfortable.

Hagen and Kirkwood Doubled. Long Branch, N. J., July 29.—Walter Hagen, British open golf champion, and Joe Kirkwood, Australian star, defeated Gene Sarazen, American open titleholder, and George Fotheringham, Home Club professional, in the afternoon over the links of the Norwood Country Club. The winners, with a best ball of 67, finished with a margin of six and a half strokes.

The victory was the second of the day for Hagen and Kirkwood. In the morning they defeated Fotheringham and Jack Forester, of Meadowbrook, N. Y., 2 and 1, in a match for the \$25,000 prize. Hagen and Kirkwood, who were the favorites, won the match by a score of 2 to 1. The British titleholder, Hagen, who was the favorite, won the match by a score of 2 to 1.

New York, July 30.—The Inwood Country Club, located near Far Rockaway, Long Island, has been selected as the site for the 1923 national open championships.

## ADVEVO TO THE LACROSSE TROPHIES

"See You Next Year," Say Victoria Players to Silverware

They go to the mainland, both the Main Cup, the big championship trophy and the handsome Kilmarnock Cup, another beautiful piece of plate, although not of quite such importance as the Main Cup. By five to one the mainland contenders beat the Victoria boys at Vancouver but the way play opened it looked like our boys were going to walk away with it.

A Judge Necessary. The players and the spectators returned from the mainland are not throwing any bouquets. The home team were getting the good calls so prettily that during the third period a judge of play was insisted upon. Tell it quickly though, Frank Sweeney, who by the way still entertains a warm regard for his old hometown although he is looking prosperous and heavier than ever since he deserted for the mainland was regularly chosen for the job, but the home team registered a kick, so A. McDougall took his place.

Well, the cups go to Vancouver for the first time since 1915. 'Tis of no use now to lament and it will be 1923 before they will be able to come home again. The summary tells the story of how it happened.

The Line Up. Vancouver—Hesse, Cairns, Mowatt, Green, Dickinson, Duff, Lewis, McLean, Freeman, Paul, Hill, Fleming, substitutes, Baker, Hand, Boyd. Victoria—Simpson, Dakers, Taylor, Kroeger, Menzies, Johnson, Fairall, McKinnon, Baker, Brynjolfsson, McGregor, substitutes, Hicks, Redgrave, McClure.

Summary. First period: McKinnon, Victoria, 15 minutes. Second period: Band, Vancouver, 18 minutes. Third period: Band, Vancouver, 3 minutes; Dickinson, Vancouver, 5 minutes; Paul, Vancouver, 11 minutes. Fourth period: Lewis, Vancouver, 10:30.

## ONE LONE CANUCK

Chicago, July 31.—Donald C. Carrick, set Toronto, is among the 51 entrants for the western golf championship tournament which opens on Wednesday. There are no other Canadians playing.

## GAMES ARE ON FOR WORLD'S CHESS TITLE

London, July 30.—Chess experts of two hemispheres will compete for the championship of the world in a tournament which will be opened to-morrow by Andrew Bonar Law, former Chancellor of the Exchequer and now leader of the Unionists in the House of Commons, play will continue for three weeks. More than 150 players will participate in the first, second and third class sections.

## DIBBLE OBSTRUCTS BELIEVA RAMS HIM

Sensational Battle for Sculling Title at Canadian Regatta

St. Catharines, Ont., July 31.—Honors were never before as evenly divided at an annual regatta of the Canadian Association of Amateur Oarsmen as at that which closed Saturday evening on the Royal Canadian-Henley course, the most successful of the 40 held since the inauguration of the Canadian championship meets. Each of the 14 clubs represented earned one or more points and, with two exceptions, Ottawa and the Metropolitan Rowing Club, New York each club carried off at least one championship.

The manner in which Hilton Belyea, of St. John, reasserted his right to the Canadian single sculling title was positively sensational. Belyea, up to the first mile, shown no outward indications that he considered the race any more than a casual thing. R. G. Dibble, Don Rowing Club, Toronto, had a dash at the start and expending a wonderful amount of energy, gathered the lead of at least three lengths on Belyea. Belyea's shell had cut down over a length of the lead with over a quarter of a mile still to go. Dibble crossed over to Belyea's water to block him and give him the wash, with his shell a few feet in advance of Belyea. Here, the easterner displayed a marvelous burst of speed and drove his boat towards Belyea's shell, a well directed torpedo would go after slow sailing vessel. He rammed Belyea's shell, then swung his own boat back for the line without losing his position, well ahead of the other four contestants. Dibble thereupon quit the race before the referee had a chance to call him out, and Belyea, a home finisher, strongly.

Dibble later apologized to the judges for his action.

## ISLAND SOCCER PLAYER IS CARRIED FROM FIELD

Joe Lapenanny, a member of the Ladysmith five-a-side football team, had the misfortune to break his leg while playing in the competition at the Canadian games at Vancouver on Saturday afternoon. The leg in which the accident occurred was between Ladysmith and St. Andrew's.

## ENTER HARRISON FOR WORLD'S BANTAM TITLE

London, July 31.—Thomas Harrison, of Hanley, British bantamweight champion, may go to the United States in quest of the world's title, recently won by Joe Lynch from Johnny Ruff. Harrison recently knocked out Jim Higgins, the British title holder, in the thirteenth round of their match.

Although Harrison has established himself as a very good boxer, many of the boxing critics believe he should bolster his record before going after Lynch, one of the cleverest little men in the world. Higgins, defeated by Harrison, was a victim of Pete Herman's cudgels when the American invaded the Isles.

## Where the Tournament Is In Session

## B.C. Tennis Stars Now In Tournament To Continue All Week

Notable Gathering Will Draw Net Experts From All Parts of Pacific; Social Engagements to Receive Full Consideration.

A total number of forty matches will be in session to-day in the opening rounds of the B. C. Amateur Tennis Tournament, which will be held at the Victoria Lawn Tennis Club, Willows. The first match commenced at 10:30 o'clock.

Large numbers of tennis players from all over the Province attend the annual meet. Victoria and Vancouver are to have strong entries in the week's programme. The entry list totals 309 and the events are made up of ladies' doubles, mixed doubles, ladies' singles and men's singles. Not only competitors from the Province but the entire Pacific Northwest will attend, and entries have even been registered by players from Calcutta, India. This is the widest range of competitors that the local club has ever had in the history of its organization.

The tournament is under the patronage of His Honor the Lieutenant-Governor and Mrs. Nichol. His Honor has consented to present the various and numerous trophies and prizes at the conclusion of the meet, which will last until August 5.

Local Players. The social side of the tennis meet has also been attended to and a delightful time will be spent by all those who attend the annual gathering. A dance has been arranged to take place on Thursday night as a concluding event to the programme.

This dance will be held in the Alexandra Ballroom, and tickets can be secured from members of the dance committee, or the secretary, J. G. Brown. The visitors to the city will be taken for a drive to the various attractive points of the city in cars, and any persons who have cars that could be put at the disposal of the committee in charge of this portion of the programme are asked to communicate with the secretary.

Marshall Allen, the Washington tennis star, is expected over to defend his title as B. C. amateur champion of the programme and doubles, and there is every indication that keener competition will be given him this year. Competitions on the Mainland and Vancouver Island have been putting the local entries into form.

Other draws are as follows: 4 P.M. O'Halloran plays G. Cunningham. A. Hoyle plays Harvey. Sparks plays Gordon. Mrs. Garrett and Garrett play Mrs. McNeill and Lee.

Mrs. Unsworth and Mrs. Moss play Miss Kitchen and Miss Thomas. Miss Thomas and Bean play Miss Matson and Matson.

5 P.M. Gordon plays Sparks. Garrett plays List. Ford plays J. Cunningham. Whittaker plays Marpole. Wyles plays Burton.

Knox plays Radford. McLean plays R. B. Wilson. Mrs. King plays Miss Hunter. Miss Leighton plays Miss McNeill.

6 P.M. Bean plays Bell. E. J. H. Whyte plays Hudson. Suhr plays Lee. Merrill plays J. Proctor. Wolridge plays Hodgins. Muir plays Bredin.

Miss Thomas plays Miss Hamblin. Burton and Crofton play A. Pitts and McDowell. Hoyle and Hoyle play Gray and Harvey. Miss Leighton and O'Halloran play.

SEIGER BEAT SHARKEY. New York, July 30.—Sammy Seiger won the decision over Jack Sharkey, both bantamweights, in a 12-round bout last night.

CANADIAN LOSERS. New York, July 30.—Moe Herchovich, Canadian welterweight champion, last night lost the decision to Tommy McAler, of New York, in a 12-round bout at the Commonwealth Sports Club.

## Wellburn Makes New Quarter-Mile Record

Audrey Griffin Also Makes New Time For 100 Yards Ladies'; Victoria Amateur Swimming Club's Gala a Memorable One.

Two more British Columbia swimming championships were captured for Victoria and two more provincial records were shattered at the tenth annual gala of the Victoria Amateur Swimming Club, held on Saturday at the Gorge. Before a large crowd which lined the shore adjacent to the pool, Audrey Griffin, of the V. I. A. A., swam the 100-yards for the B. C. ladies' championship in 73.35 seconds, while Tom Wellburn, of the V. A. S. C., brought off a spectacular win in the 440-yards senior championship of B. C. by covering the distance in 6 min. 19.15 sec.

So far this season five B. C. championships have been competed for and Victoria swimmers and divers have captured them all. Dick Beilby, of the V. M. C. A., won the 100-yard free style in Vancouver, while one week ago Saturday at the Elks' gala, Audrey Griffin captured the fancy diving title and the V. C. A. team won the relay championship.

Wellburn a Surprise. The surprise of Saturday's gala was Tom Wellburn, who was looked upon as a dark pony in the 440-yard race. Several other swimmers were touted above him, but he showed his heels to the field. The seven swimmers kept well bunched during the first half of the race, but later it appeared that the championship lay between Wellburn and John Bayley, of Vancouver. In the last lap Tom opened up a fast spurt and his powerful stroke pulled him ahead of Bayley and allowed him to win with three seconds to spare.

Wellburn not only shattered the old record but Bayley, who finished second and Dave Barclay, who was third, all finished inside the former mark, which is eloquent proof that five, as well as the other four, are swimming in this part of the country is improving very rapidly.

Audrey Won Easily. Kathy Wellburn, who was expected to show great form in the 100 yard race for the ladies' championship, swam a disappointing race and was beaten out for second place by her sister, Grace. Audrey Griffin annexed the honor in record time. She not only shattered the B. C. mark but she finished inside the Canadian record. There was considerable rivalry in the race. Audrey Griffin won the event last year, but Kathy Wellburn defeated her in the 100 yards for the Canadian championship. On Saturday, however, Audrey finished lengths ahead of Kathy, who was plainly off color.

A very exciting programme of novelty and handicap events was held during the afternoon and two exhibitions of fancy swimming were given, one by W. T. Stanyon and the other by Grace Wellburn, M. Blythe and Dorothy Melville.

The first game for the Vancouver Island water polo championship was held and was won by the Elks by 2 to 1 from the V. I. A. The game was fairly fast. The V. I. A. were to have played the Vancouver Amateur Swimming Club in the semi-finals for the British Columbia water polo championship, but they were, however, could not travel so the V. I. A. won by default and will meet the V. A. S. C. at the Canadian championship on August 19 for the B. C. title.

The Results. The results of the gala were as follows: 440 yards, senior championship of British Columbia (men)—1, Tom Wellburn, V.A.S.C.; 2, J. Bayley, Elks A.S.C. Time, 6:19.15.

100 yards, girls, 11 to 13 years, inclusive for George Armstrong Cup—1, Beatrice Latremouille, V.A.S.C.; 2, Kathleen James, V.A.S.C.; 3, Marjorie Hughes, V.A.S.C. Time, 51.45.

50 yards, boys 14 and under—1, Ken Darbyshire, V.A.S.C.; 2, Jack Kinsman, V.I.A.A.; 3, C. Riveli, Elks A.S.C. Time, 32.55 sec.

100 yards, ladies' championship of British Columbia—1, Audrey Griffin, V.I.A.A.; 2, Grace Wellburn, V.A.S.C.; 3, Kathleen Wellburn, V.A.S.C. Time, 1:13.25.

50 yards, men's open handicap—1, Allan Maclean, V.I.A.A.; 2, Jack Kinsman, V.I.A.A.; 3, Earl Equire, V.A.S.C. Time, 29.15 sec.

Life-saving race—1, G. E. Wellburn, V.A.S.C.; 2, Percy Pitt, V.A.S.C.; 3, J. G. Brown, V.A.S.C. Time, 1:13.25.

25 yards, girls under 11—1, Anna Reineau, V.A.S.C.; 2, Melba Mills, V.A.S.C.; 3, Josephine Latremouille, V.A.S.C. Time, 42.45 sec.

200 yards, mixed relay—1, Team consisting of Kathleen Wellburn, Allen Maclean, Dave Balmave and Angus McKinnon; 2, Team composed of Florrie Gates, Earl Equire, Cecil Clark and Jack McNeill; 3, Team composed of Audrey Griffin, Tom Wellburn, Jack Kinsman and Gerry Wellburn.

Novelty event—1, Tom Wellburn, V.A.S.C.; 2, Grace Wellburn, V.A.S.C.; 3, John Larson, Y.M.C.A. (tied); 3, George Silburn, V.A.S.C. 25 yards, girls under 11—1, Anna Reineau, V.A.S.C.; 2, Melba Mills, V.A.S.C.; 3, Josephine Latremouille, V.A.S.C.

General director—Mr. H. Bird, president V.A.S.C. Referee—Mr. Stanley Warn, president B. C. section of C.A.S.A. Judges—Mrs. G. W. McAllister, V.A.S.C.; Mr. A. T. Weight, Elks A.S.C.; Mr. A. Willis, Mr. Jas. McCabill, V.I.A.A.

Water polo referee—Mr. C. H. Hopper, V.A.S.C. Announcer—Mr. J. Rivers, Elks A.S.C. Starter and handicapper—Mr. V. J. Dunn, secretary and official handicapper, B. C. Section of C.A.S.A. Check starter—Major C. Aitken.

THE TIMEKEEPER DIDN'T FEEL THE HOT PACE OF GAME. Al Davies, captain of the V. I. A. Club polo team, is looking for the timekeeper of the water polo tilt between the Elks and the V. I. A. A. in the Island Championship series at the Elks gala. Says Al, with his bottom jaw well out and a ferocious glint in his eye, "We must have had 15 or 20 minutes actual play in the first period, and she was a hot game at that. That timekeeper must have forgot to crank his watch. D'ja ever play fifteen minutes polo at a stretch, I mean actual play, not counting the time taken off for stoppages. Well you can take it from me it's going some. We are making request for a replay on those grounds, with the additional feature thrown in that owing to the excessive length of the first half one of our players was unable to play in the second half, and I also want to put a heart to heart talk with the timekeeper." We were pleased to inform him that the timekeeper is away on vacation.

## Everything for the Tennis Player or Tennis Club

We anticipated the remarkable popularity of tennis this season, and for this reason we imported a bigger display of tennis goods than ever before. See this display of better variety and value.

Tennis Nets, from \$5 to \$4.50

## BROWNS MOVE UP TO FIRST AGAIN

Ken Williams Poles Out His Twenty-fifth Home Run

Giants Peel the Roll Heavily to Get McQuillan

New York, July 31.—The pennant chasing St. Louis Browns, without the services of George Sisler and Hank Severid, but with able hurrying by Wright and Kenneth Williams' 25th home run, has moved into first place again. Their fellow citizens, the Cardinals, nosed a game from Robinson's Dodgers and gained a length on the Giants, who dropped their second straight contest to the Pittsburgh Pirates.

The upward movement of the Browns was due to the defeat of the Yankees by the White Sox, six to five, as well as their own four to one victory over the Red Sox. Hoyt was ineffective in six innings against the White Sox, who found him for 12 hits.

A Good Day For Toy. Ty Cobb had another good day, and so did his men, defeating Philadelphia 7 to 2. Uhlir hurled in good form and Cleveland beat Washington 10 to 3. Pittsburgh's home runs again proved the undoing of the Giants. Max Carey, who drove for the circuit on two occasions Saturday, duplicated his feat and Russell, who pitched for the Browns, added another to his string. Besides, Morrison was in better pitching form than Douglas.

Brooklyn the Cardinals took advantage of a couple of infield bobbles to win three to two. The victory cost Brooklyn its hold on fifth place as the Pirates moved there.

They're Busy Trading. New York, July 31.—The baseball brackets of Gehlhaue and the Hub have closed a busy week.

First, Harry Frazee, the well-known tradesman of the Red Sox, traded in a game with him came Elmer Smith, heralded as a hitter of no mean ability and a fielder of some accomplishment. To the Red Sox went Elmer Frazier, a fast man to be used as a third sacker; Mitchell, a young substitute shortstop, and Outfielder Elmer Miller.

Then, the league tradesman of Boston and New York got busy, and Hugh McQuillan, a young pitcher with great promise, came to the Yankees. With him came a "substantial sum" said to be in six figures; Fred Toney, a veteran with a record of 19-10.

In the deal the Yanks got a third baseman, one Joe Dugan, considered by them and others as one of the best in the game. With him came Elmer Smith, heralded as a hitter of no mean ability and a fielder of some accomplishment. To the Red Sox went Elmer Frazier, a fast man to be used as a third sacker; Mitchell, a young substitute shortstop, and Outfielder Elmer Miller.

## NEWS IN BRIEF

**To Repair Bridge.**—Plans for repairing the Point Ellice Bridge with new wooden blocks are under consideration by the civic authorities now, and probably will be carried out immediately.

**Royal Review.**—Royal Review, No. 18, Woman's Benefit Association of the Macabees, will hold a whist drive in the Harmony Hall, 724 Fort Street, to-night at 8.30 o'clock. Good scrip prizes will be given.

**Overseas Club.**—The Overseas Club will meet to-morrow afternoon at the Cadboro Bay Hotel. For the convenience of members arrangements have been made for jitneys to meet the street cars at the terminus.

**Lost Diamond Pin.**—Travelling to this city via the Princess Adelaide Victoria Colle, of 1615 Douglas Street, reports the loss of a diamond stick pin valued by its owner at \$150. The pin is thought to have been dropped on the steamer.

**Tax on Orders.**—Postmasters have been informed that on and after August 1 the War Tax Stamps to be affixed on Money Orders issued in Canada, will be two cents on orders drawn for sums not exceeding \$50, and four cents on orders for sums over \$50.

**Finance Committee.**—The Finance Committee, for the Cordova Bay regatta is working to gather funds for conducting the annual gala, and any contribution toward making this day a success will be gratefully received. It is the intention of the campers there to give the orphan children a good time, and any assistance would be of help to them.

**Tubercular Veterans.**—The Victoria branch of the Tubercular Veterans' Association will hold a meeting this evening at 8 o'clock in the G. W. V. A. rooms, Station Street. Anyone having a case to sustain is invited to be present. Further information can be obtained by telephoning 74212, or to the honorary secretary, 49 Simcoe Street.

**For Merville Settlers.**—The Victoria City and District Branch, Canadian Red Cross Society, wishes to acknowledge the following further donations for the Merville sufferers: E. P. \$5; Loyal Order of Moose, \$10; several parcels of clothing and no names given, also parcel from A. N. A. Mr. J. A. Morley brought in a supply of lavender to be sold for the Merville sufferers' fund.

**Victoria Gardeners' Association.**—The Victoria and District Gardeners' Association will hold the regular meeting tomorrow in the city hall at 8 o'clock, which will be an horticultural night. As arranged at last meeting, members will bring specimen blooms of flowers in season. Geo. Attwood will speak on sowing and planting of flowers for Fall bloom. This is at the request of members, and it is hoped for a full attendance.

**Detective Department Blush.**—Not accustomed to very much praise, the detective department of the Victoria city police blushed to-day upon receipt of a letter of thanks from a lady resident, whose valuable jewelry had been recaptured by the local men a short while after it had been stolen. The usual practice is to complain that it was not found sooner, of course, so the detectives were pleased at the unsolicited testimonial.

**Fire Damaged Premises.**—Damage estimated at several hundred dollars was occasioned by a blaze at the Douglas Furnishing Company, Ltd., 2839 Douglas Street, on Saturday afternoon. The fire had its origin, it is thought, under a counter in the rear of the premises. The fire department responded in record time and a stream from the chemical engine put a stop to the spreading flames. At the same time a blaze on Eberts Street occasioned a run, but the damage was slight, some brush having caught fire.

**Run Over Foot.**—The identity of the persons in a Ford car who took his foot for the corner of the curb and rounded it without thought for the "morning" is being sought by Herbert Slade, 2302 Quadra Street, who protested to the police to-day. Mr. Slade was about to cross the street when the car approached on the wrong side of the road, at between 20 to 25 miles an hour and ran over his foot. The driver, unimpaired of the agony he left behind, did not stop.

**Kiwanians Will Lunch.**—"Mental Hospitals" will be the subject dealt with by the Hon. J. D. MacLean, Provincial Secretary, in an address to be given before the Kiwanis Club at the regular weekly luncheon to-morrow. The function will open at 12.14 p.m. at the Dominion Hotel, with Sidney Newton as chairman of the entertainment committee. Preparations are now under way by members of the local club to take part in the Canadian Day luncheon at the Olympia Convention, to open on August 21. The convention will last two days, with an excellent business programme. Special features to be provided for the entertainment of visiting ladies.

**Countess to Lecture.**—To-night at the Empress Hotel at 8.30—Countess d'Audiffret, of Paris, will give an interesting lecture on French post-war conditions. An excellent musical programme will include songs by Madame Lugin-Pahey, Mrs. H. Baird, Messrs. Arthur Gore and Victor Edmunds, with recitations by Reginald N. Hinecks. No admission will be charged but souvenir medallions will be sold for the benefit of Canadian and French war orphans.

**In Police Court.**—Charged with failure to have the requisite tall light burning H. Brechley, E. F. Goodrich, R. Rowen and E. Russell, were each fined \$5 in the city police court to-day. Miss Sehl, charged with incorrect parking, was fined \$5. H. Latham, charged with failure to have the necessary cycle light, was fined \$5. John McNeil paid \$5 for the privilege of driving without a chauffeur's badge. Sam Thomas, Indian, who told the court that a white man on Johnson Street, gave him some potent cider, was fined \$5 for being intoxicated.

**Are they Stevenson's?**  
If She's a Particular Miss,  
The way to please her is to bring her a box of "Hoe Maid" Chocolates. They are so fresh and so deliciously flavored to please even the most critical.

Central Building Phone 678 View and Broad Streets  
C. P. R. and B. C. Electric Watch Inspectors.

**G.A.U.V. Meeting.**—A meeting of the executive council of the Grand Army of United Veterans will be held at the clubrooms at 9.30 o'clock this evening, and all members are asked to attend. Among the matters to be discussed will be plans for the picnic, which will be held at Goldstream on Sunday, August 13.

**Bishop Allen's Addresses.**—Bishop Allen will deliver his sermon on Faith to-night. Friday, August 4, being the anniversary of the Great War, he will give the illustrated lecture on "Our National Heritage and the Emblems of Our Race," will all religious bodies and patriotic societies kindly accept this invitation at the Church of Our Lord, Humboldt Street. Admission will be free.

**Victoria West Brotherhood.**—The regular meeting of the Brotherhood will be held in Temple's Hall, to-morrow evening, at 7.30 o'clock. Several important matters will be discussed, among them the final arrangements regarding the garden party to take place at J. P. Silver's, Craigflower Road, on August 12, proceeds to help the Winter work of the Brotherhood. The president would appreciate it if all members of committee in connection with the garden party would attend the meeting.

**Countess to Lecture.**—To-night at the Empress Hotel at 8.30—Countess d'Audiffret, of Paris, will give an interesting lecture on French post-war conditions. An excellent musical programme will include songs by Madame Lugin-Pahey, Mrs. H. Baird, Messrs. Arthur Gore and Victor Edmunds, with recitations by Reginald N. Hinecks. No admission will be charged but souvenir medallions will be sold for the benefit of Canadian and French war orphans.

**In Police Court.**—Charged with failure to have the requisite tall light burning H. Brechley, E. F. Goodrich, R. Rowen and E. Russell, were each fined \$5 in the city police court to-day. Miss Sehl, charged with incorrect parking, was fined \$5. H. Latham, charged with failure to have the necessary cycle light, was fined \$5. John McNeil paid \$5 for the privilege of driving without a chauffeur's badge. Sam Thomas, Indian, who told the court that a white man on Johnson Street, gave him some potent cider, was fined \$5 for being intoxicated.

## BRONCHIAL ASTHMA

One of the most uncomfortable complaints of the season can be readily eliminated. A most efficient remedy for Hay Fever and Bronchial Asthma is sold at the Hillside Pharmacy, corner Quadra and Millside

## MATRICULATION MEDALIST

**FREDERICK HENRY SANDERS**  
Sanders is the clever fifteen-year-old son of Mr. and Mrs. E. W. Sanders, of 527 Head Street, and pupil at Esquimalt High School, who obtained 885 marks out of 1,000 in University matriculation exams, came second in the whole Province, won the Royal Institution scholarship for Victoria and the Island, and won the Governor-General's silver medal.

## HOUSE OWNER IS WITHOUT GOODS OR PROCEEDS OF THEFT

**Wm. M. Allen Has Pleasure of Knowing Thief, But Still Lacks Goods**

Charged in the city police court to-day with receiving certain articles knowing them to have been stolen, Percy Stoddard, jeweler, of Douglas Street, was discharged with a warning that in future he must not buy gold nor other articles without making sure that they came from a legitimate source. The charge was denied by the accused, who pleaded not guilty.

The chief witness for the prosecution was James Albert Bates, self confessed burglar, who Saturday received a term of imprisonment for the burglary committed on the home of William M. Allen, agent of the Admiral Line here, at 29 Dallas Road, and also from other premises. The witness, Bates, described the method of entering the Allen home in the absence of the family, breaking a glass panel in the front door and turning the key in the lock. After a search of the house two gold chains and a pair of gold cuff links were taken. These, alleged witness, he sold to the accused for \$7.50 on the afternoon of that day, or a few hours after the robbery. The accused did not ask where the goods were obtained, but after testing and weighing the samples, stated he would give slightly over the \$7 for them, alleged witness, who thought he had received \$7.50 in all, as the price of the stolen articles. Mr. Allen stated the three gold articles were presents and were in excellent condition. They were worth, he thought, about \$60 to \$70 in all. One chain had been in the family for 20 years, while the others were more recent.

M. C. Mills, for the accused, moved for dismissal, there being, he stated, no evidence that the accused knew the articles were stolen. It was a common practice with jewelers to buy old gold.

C. L. Harrison, for the Crown, asked the court to commit the accused for trial by jury, pointing out that the accused, it was alleged, had asked no questions of the vendor and that the gold was not by any means old.

Magistrate Jay, holding that while there was not sufficient evidence to send the accused for trial by jury, yet the accused had been unwise in buying articles from an unknown source. He would dismiss the accused with a warning, there being no evidence of guilty intent.

Mr. Allen is apparently the only loser on the proceedings, being out the value of the goods missing, and without any redress, it seems.

## BRITISH STEAMER DRIVES ASHORE

St. Vincent, B. W. I., July 31.—The British steamer County of Carmathen, en route from Dakar, Africa, to Key West, is ashore north of Mayo Island. There are 15 feet of water in the hold. The Dutch steamer Gelria is proceeding to her assistance.

## TWENTY-FIVE YEARS AGO TO-DAY

New York, July 31.—One of the most novel of the many schemes to obtain a share in the wealth of the Klondike region has been developed by a syndicate of four wealthy New Yorkers, who are planning to establish trading posts and stores in the mining camps, and also to purchase all promising claims on the market. They will transport their men and supplies to the gold fields for this purpose.

Berlin, July 30.—The commercial treaty between Great Britain and the German Zollverein, which has been in force since May 30, 1865, was denounced to-day by Great Britain, and ceases to be operative one year hence.

Washington, July 30.—The Japanese Government has accepted the offer by Hawaii to arbitrate the dispute between the two countries. The state department has been informed of the offer and its acceptance.

The B. C. R. A. meet was held this week and competition was keen in the various events. The annual meeting of the association was held at the city hall in Nanaimo and the lease on the Goldstream range was announced to be completed.

## "A DOLL'S HOUSE" FOR EVERY WOMAN

Nazimova Appears in Film Version of Ibsen Classic at Royal

That "A Doll's House," the great Ibsen drama which has been popularized in this country by Nazimova, the Russian actress, and whose film version of which, made for United Artists Corporation, which is the attraction all this week at the Royal Victoria Theatre, is a picture that every woman and every girl, every husband and every man, should see. There isn't the least bit of doubt about that.

For when Ibsen, the great Norwegian dramatist, wrote into "A Doll's House" the story of Nora, the doll-wife-of-a-placid-and-self-satisfied husband, he foresaw the development of woman into her present day status, her present place in the world; he foresaw with remarkable vision the day when women would no longer be either mere love-making machines or discarded and worthless fragments of humanity; he knew that women would strive and conquer. And his Nora, the chief feminine character in "A Doll's House," paved the way for the emancipation of womanhood.

And Nazimova makes of this character a genuinely real, actually pulsating personality. Not in the slightest degree does her portrayal of the character lose in the transfer from a stage to the screen. All the delicate artistry, all the powerful yet subtle acting, which has made Nazimova famous both on the stage and on the film are brought into full play in her picturization of this doll-like Nora into a fully awakened woman who realizes, with a suddenness born of a great crisis, that she has been but playing in a very toy-house, a living, breathing, struggling human. All through the picture there can be traced all the human emotions, love and romance, child-like trust and dependence and woman's determination to assert her right the wrong that has been inflicted by the smug and self-conscious husband; cringing, yielding to his every capricious whim suddenly turns into a cool defiance that seems to him only insolence; a hitherto dependent mind suddenly whips into the most emphatic determination, and Nora electrifies her husband by going out into the world to seek her own destiny, to right the wrong she has suffered.

"A Doll's House" is a remarkable picture; telling a remarkable story in a remarkable way. It is one every woman and every girl should see.

## BIG MUSICAL ACT AT CAPITAL

Two Notable Features to Engage Attention

For four days—Monday, Tuesday, Wednesday and Thursday at the matinee and evening performances—Chuck Whitehead and his famous band will thrill Capitol audiences. This is one of the greatest musical acts ever booked at the Capitol. The band is composed of ten pieces, every member is a first class soloist and a master of his instrument. All the latest popular dance hits will be included in their programme. The public are requested to note that the band will appear at every matinee during their four days' engagement as well as at the evening shows. The feature film attraction for this week is also an exceptionally good one. Wallace Reid in his new picture "The Dictator."

When a big motion picture troupe goes on vacation, there is a whirlwind of activity, exemplifying the immense scope of motion picture production as an institution. For example, see what was done when James Cruze, director, took Wallace Reid, Paramount star, Lila Lee, his leading woman, and his company to a Southern California location to film South American scenes for "The Dictator," which will be shown all week at the Capitol Theatre.

It required all the spare rooms of four large hotels to provide accommodations for the troupe, which consisted of more than a hundred people, including staff, cast and extras. Eleven hundred additional people were engaged by advertisement, on the site of the work, to play the pseudo-South American rebel and federal armies which have a battle in the story. These men were employed several days.

Large supplies of South American wardrobe and uniforms were taken down from the studio for the players and extras. The chief of the Lasky studio wardrobe and three of his assistants accompanied the unit, to check and take care of the wardrobe supplies.

The property man took along nine hundred guns from the studio prop room for use by the soldier-extras. Twenty carriages of the nobility type were secured in Los Angeles after the city had been secured by property men, and taken south to be used in the scenes. Horses were hired on the spot. More than two thousand spectators congregated every day to watch the filming of the scenes. The appearance of a motion picture troupe of such proportions in their city was an event.

The two armies were drilled for hours by former army officers. They were kept in strict military formation when going from one location to another. David Torrence traveled all the way from New York to Hollywood with the idea of remaining in the latter city only long enough to fill a contract with Mary Pickford in her new "Tess of the Storm Country" and then making the return trip to old haunts in the East. But after he got settled down to drawing a very fine characterization in Mary's picture, all kinds of other film offers started coming his way. So now he has cabled his wife, who was sojourning at London, to join him in Hollywood instead of New York as originally planned and she is on her way after sending him the following pointed reply: "Now who else besides women change their minds?"

### AMUSEMENTS TO-DAY

Royal—"A Doll's House,"  
Capitol—"The Dictator,"  
Dominion—"The Trap,"  
Columbia—"Second Hand Rose."

## FACE IS MARVEL OF SCREEN WORLD

Lou Chaney, at Dominion, Remarkable Figure

Lou Chaney, who first leaped into fame via the medium of the "The Miracle Man," has come to be recognized as having one of the most mobile and expressive faces on the screen, in addition to being one of the leading actors of the day.

He demonstrates his right to the title beyond question of doubt in "The Trap," a Universal-Jewel production which is now running at the Dominion Theatre. Chaney's features are scarcely, if ever, in repose in this film, yet so well does he play the part that one is hardly conscious that his face is a mask of grease paint. As a matter of fact, Chaney ordinarily can say a great deal more with the flicker of an eyelash, or the curving of a lip, than the most subtle film writer can express in a hundred feet of film.

It is not only for Chaney's excellent acting, however, that "The Trap" is worth seeing. The story is an unusual one, and has been staged with so clear cut a pictorial beauty, and such an excellent supporting cast, that any moving picture patron will regret missing it. Robert Thornby directed.

The story is that of "Gaspard the Good," a trapper in the Canadian Northwest, who is robbed of his mine and his sweetheart by an American promoter. Gaspard then devotes his life to obtaining a slow and torturous revenge. His vengeance results in the sending of the prospector to prison on a murder charge, drives the girl to her death, and leaves their baby son in Gaspard's charge.

He plans to take final vengeance

### FEATURE PICTURE AT ROYAL ALL WEEK

NAZIMOVA in "A DOLL'S HOUSE"

upon the wife, but succumbs to the grip of childish fingers and finally risks his life to save the youngster in a terrific battle with a half-starved wolf. Alan Hale plays the role of the promoter in the finished manner that one has come to expect from him, while Dagmar Godowsky, daughter of the famous Russian pianist does excellent work as the sweetheart. Stanley Goethals plays the part of the child in an appealing manner.

It took George Henry, a French wood carver, three months to make all the elaborate carved panels, pillars and furniture in the big Cosmopolitan Production "When Knights Hood Was in Flower" starring Marion Davies.

## NEW SOURCE FOUND FOR SCREEN PLOTS

"Second Hand Rose" is Now at Columbia Theatre

American popular music is now conceded to be a worthy addition to the art. Once it was frowned upon. That was when it was only a series of silly monstrosities in which rhyme and

melody rhythm combined to make the absence of sense or reason more conspicuous.

Of the later pieces which have in them real characterization and real sentiment, "Second Hand Rose" is a vivid example. Its syncopated sadness, its clever humor and its absolute musical quality mark it as one of those popular successes which will endure, beyond the average lifetime of a "rag" sensation.

It has jazzed its way into the screen's record. "Second Hand Rose," as a film heroine, is now at the Columbia Theatre. Gladys Walton, pretty Universal star, plays the role of "Second Hand Rose."

A. P. Younger was inspired to write

## "A Daily Treat"

# "ICED" "SALADA" TEA

Good on all occasions.

a story, when he listened to the song. Lloyd Ingraham directed the filming of the story, putting into it the same touch of pathos and humor seen in his recent screen success, "Lavender and Old Lace."

Jack Dougherty, Edward Sutherland, Walter Perry, Max Davidson, Grace Marvin, Virginia Adair, George B. Williams and other popular players are in the cast

## POPULAR INCUMBENT WILL LEAVE FOR SALT SPRING ISLAND

Rev. A. W. Collins, incumbent of St. Mathias's Mission of Christ Church at Fowl Bay, preached his farewell sermon Sunday evening on the eve of his departure to take charge of the Church of England Parish of Salt Spring Island. Mr. Collins and his charming wife have done wonders in building up the little church at Fowl Bay during their stay of about fifteen months, and a congregation which filled the church to overflowing

listened to a very moving sermon on "Friendship."

After the service the congregation remained in their seats and gave Mr. and Mrs. Collins a surprise in the shape of a presentation, made by R. Fowler, of some handsome pieces of silverware as a slight token of their appreciation of the very valuable services rendered by the incumbent and his wife to the Mission during their brief stay. The Girls' Auxiliary to the W. A. also presented Mrs. Collins with a handsome memento.

Mr. Collins replied very feelingly on behalf of himself and wife. They will leave on Wednesday, and carry with them heartfelt wishes from their many friends at St. Mathias for a successful and happy incumbency on Salt Spring Island. No successor to Mr. Collins has yet been appointed, but for the present the Rev. F. Gowenlock of Christ Church Cathedral will conduct the services at St. Mathias.

Frank Tinsley, for five years assistant curator of the armor department of the Metropolitan Museum of Art in New York City, was engaged by Cosmopolitan Productions to assist in filming "When Knights Hood Was in Flower" starring Marion Davies. Mr. Tinsley has several times worn an ancient knight's steel suit and ridden in revivals of tilting jousts.

There is a pair of interesting tries on the Pickford-Fairbanks "lot" at Hollywood just now. The first trio is the Rosson Brothers, three of them on important jobs there simultaneously, to wit: Dick Rosson is assistant director to Allan Dwan on "Douglas Fairbanks in Robin Hood"; Ar-

All about how a young idler, because he had nothing else to do, stirred up a whole country into a revolution, and then had to stir it back to peace again.

A picture packed with thrills, action and love. That is "The Dictator," starring Wallace Reid.

The happy-go-lucky tale of a millionaire's son who abhorred work, and yet when a pretty girl said "please," he went out and stirred up a whole revolution for her, and won it. And, of course, in the end, he married her. See Wallace Reid, in "The Dictator."

## MOTORISTS VISIT

President of Agassiz Liberal Association Here.

Claude Strang, President of the Liberal Association at Agassiz, and Mr. Lamont, manager of the Harrison Mills at Harrison, were among the week-end visitors to Victoria, the pair having traveled to the coast through Washington and crossing to Victoria from Port Angeles.

Messrs. Strang and Lamont left this morning for a tour up-island, and they will cross to the Mainland from Nanaimo. Mr. Strang is a nephew of Frank Carlow, president of the Victoria Liberal Association, and during his visit to Victoria he had planned to interview Dr. Sutherland on matters pertaining to his district but was disappointed to find

that Dr. Sutherland was away participating in the Cranbrook by-election.

## CANADIAN SCULLER OFF TO PHILADELPHIA

Dominion Champion & Also Wants to Meet Hoover Again

St. Catharines, Ont., July 31.—Hilton Belyea, of St. John, N. B., who established his claim to the sculling championship of Canada at the Canadian Henley meeting here on Saturday, left

last night for Philadelphia to compete at the N. A. A. C. regatta on next Saturday.

Before leaving he declared his willingness to go to Duluth on Labor Day to meet Walter Hoover if the latter will defend the gold cup. Belyea maintains that his condition at Philadelphia when Hoover defeated him last May was not what it should have been.

"If Hoover can beat me in September I will have no alibi," he said. The possibility of stalling in preliminary heats at regattas is to be eliminated from future events. Hereafter only the winner of a preliminary heat will be eligible for the finals, provided the committee on constitution approve of the recommendation of the annual meeting of the C. A. A. C. Saturday. A new event to be known as High School eight, to be rowed in shells, was added to the programme for future regattas. P. J. Mulqueen, Toronto, was elected president.

## Victoria Players Open Tennis Tournament

Thirty-First Annual B. C. Tennis Tournament Opened Under Good Weather Conditions at Victoria Courts To-day; Opening Rounds Are Played Promptly.

To Victoria players goes the honor of serving the first ball across the net in the thirty-first annual open tennis tournament for the championships of British Columbia this morning. There was a good attendance and the weather was excellent.

Four matches were in session this morning, all games being deuce sets and taking very little time to complete with the exception of one match, which was a drawn-out game despite the fact that the loser was defeated in two straight sets. Miss McCulloch and Hutehison opened the mixed doubles with an easy win over

Mrs. Hoyle and Nachtrieb, the score being 6-0, 6-1. This was the easiest set of the morning, while the match between Mrs. Thomas and Bean and Miss Matson and Matson was defaulted, the former securing a place in the second round.

In the men's singles the fall of Proctor was an unexpected one, when J. R. Kingham defeated his opponent in a deuce set of 6-4, 6-3. Proctor played Kingham well and hard, but failed to keep the pace of his opponent and went down to defeat in a keenly contested match. Hope won an easy victory when he made his debut in this year's tournament. He defeated Berrill readily, winning the first set with 6 love and the second with a score of 6-1. But the men's singles provided the best match of the morning, when Carroll and K. G. Tatlow fought it out together in a

masterly manner for the longest match in the morning session. Both players were using long driving serves and the shots placed over the net were well directed, causing considerable interest from the spectators who watch them from the clubhouse. The score is as follows: 6-4, 6-3.

The opening matches were a complete success, the light favored the players and the very slight breeze was of little or no hindrance in the judging of the ball.

Comes Long Distances.

Mr. Carr, of Calcutta, who is representing India in this tournament arrived this morning on the Empress liner and will take an active part in the tennis tournaments on this coast. After completing the British Columbia tournaments it is his intention to play in the Pacific Northwest

Tournament which will be held at Tacoma.

The men's singles has a handsome cup to be contested for. This cup was presented by Messrs. Chaltoner & Mitchell, to be won three years in succession to become the permanent property of any competitor. At present Marshall Allen, of Seattle, holds it. There is also a cup for the ladies' singles match, the late R. P. Rithet having presented the trophy which must be won three years in succession to become permanent property. Miss Marjory Leeming is the present holder. B. P. Schwenger presented a perpetual challenge cup for the ladies' doubles. At present Mr. Ricahy and Miss Leeming are the holders. The mixed doubles also has a splendid trophy which was presented by the Victoria Lawn Tennis Club for perpetual challenge, and is held at present by Mrs. Leeming and P. Vickery.

Veterans' Singles.

The gentlemen's veteran singles will be a feature match of the week when the Rev. S. Ryall, of Nanaimo, defends his title as B. C. champion veteran tennis. The B. C. Electric Railway has presented a cup to be won three years in succession before it becomes the permanent property of the contender. A special match has been arranged for the gentlemen and ladies who fail to qualify in the first match of the singles. For this event a cup has been presented for the men's singles by Mrs. J. W. Powell, while a suitable prize will

be given the winner of the ladies' consolation singles. The officers of the tournament are: President, His Honor Walter C. Nichol (Lieut.-Governor of British Columbia); hon. vice-president, Mrs. James Dunsmuir; president, H. G. Garrett; vice-president, W. H. Bone; Committee: Mrs. (Col.) Hodgins, T. H. Leeming, G. L. Foulkes, W. F. Loveland, Miss I. M. Jackson, Alexis Martin, K. R. F. Denniston and A. N. Robertson.

Rye, July 30.—Mrs. Mollie Bjurstedt Mallory won the New York State lawn tennis singles championship yesterday by defeating Mrs. May Sutton Bundy, of Los Angeles, 4-6, 6-0, 6-2.

Pretty Niece (blushing)—Auntie, what would you do if you learned that a young man was secretly inquiring about your ability as a cook? Wise Aunt—I should immediately make secret inquiries as to his ability to provide things to cook, my dear.

## DOMINION

A Great Picture for the Whole Family The Biggest Treat of the Year

STARTING TO-DAY AT USUAL PRICES

A STORY OF THE GREAT CANADIAN NORTHWEST

## LON CHANEY Star of "The Miracle Man"

Supported by DAGMAR GODOWSKY, Daughter of the Famous Russian Pianist

With fiendish cunning, Gaspard contrived a terrible man-trap.

When his enemy entered the little log cabin, the door-bar would drop, blocking escape, and a trap-door would open, admitting Toto, the half-starved wolf. Then there would be fun!

Each night Gaspard watched gleefully for the coming of his enemy. The Boy, the only thing he loved, slept peacefully in an arbor near by.

Then came the great night, when his enemy surely must come.

What's that! It's the Boy, sleepily approaching the death-cabin and entering the horrible trap.

It is a moment for a hero! What does Gaspard do? See Lon Chaney in the great thrill of the silent drama, in "The Trap."

Horrible ingenuity! Cruel cunning! See Lon Chaney prepare his terrible man-trap in "The Trap."

When all failed him, Gaspard lost himself and became a wolf in human form. Then a child's tiny fingers tightened round his heart and filled his cup of joy to overflowing. But his song of joy was destined to be still and Gaspard planned a terrible revenge.

How, in the big moment, he found himself again, brings to a thundering climax a dramatic thunderbolt you'll long remember. A powerful, beautiful picture made for every member of your family.

One day he was Gaspard, the Good—the next he was a vengeance-seeking wolf-man. The strangest drama ever filmed.

Were you ever caught in the trap of circumstance? Could you fight your way out? See Lon Chaney in "The Trap."

## "THE TRAP"

See

—the great thrilling struggle between a wolf and a man, caught in a trap.  
—the great drama of a man who lost and found himself again.  
—the finest acted picture in years.  
—the finest scenes nature prepared for a great picture.

Feel

—thrills and sensations you never felt before.  
—every emotion you are capable of feeling—love, sorrow, hate, scorn, happiness, and a score of others.

Know

—that you're going to be glad you saw this great picture, sure to be the talk of this town for many weeks.

IF YOU'VE GOT TO BURGLE THE BABY'S BANK OR SHOOT THE CAT TO SAVE MILK, SEE THIS PICTURE! IT'S GOOD!

This property is one of the best choice building lots which can be obtained in this residential district. Lots one and two have a frontage of forty-three feet, and a depth of one hundred and twenty feet. Lot three has a frontage of sixty feet on Shasta Street by a depth of one hundred and twenty feet. The highest or any other tender not necessarily accepted. Further particulars can be had at the office of the undersigned.

ELLIOTT, MACLEAN & SHANDLEY,  
304 Central Building, Victoria, British Columbia. Solicitors for the Trustee of the Estate of Ludwig Rissmuller, Deceased.

## Times Book Review

(By Professor W. T. Allison.)

One of the soundest histories of Canada that have ever been written is "The Story of the Nations" series. I am glad to hear that the English publisher, T. Fisher, has just issued a new edition of the work with another chapter on recent developments. This has been written by Mr. William H. Ingram.

Booth Tarkington, who, according to a recent vote, is the most popular novelist in the United States, has written a letter to a friend. What he says about plot-making will come as a great surprise to his fellow novelists. "Don't worry about plot, or your alleged lack of inventiveness," he writes. "What you mean is something you ought to have. Your characters make their own plot—all the plot there should be. Think of them in their relation to one another, and they will make your story. Your struggle should be against everything extraneous. It is unusual poignancy that makes a plot unusual. It is not the weakness of a story, but its strength. It is a story, but most writers are not gifted with genius, and the weakness of most of their stories lies just in this quarter; they are lacking in structural power."

Some literary men over in London must be living in clover just now, if the statement is true that the British Government, or some department of it, has already paid out over £400,000 upon the official history of the war. An official historian must be almost as expert a contractor of extras as an architect. In view of the urgent demand for economy in England just now, it seems almost incredible that the British Government should minister could authorize such a huge and we might say such an unnecessary expenditure as this, for official histories are almost always as dry as dust.

But I should make an exception of Sir Arthur Conan Doyle's history of the war of the South African War and his volumes on the late war. He has the happy faculty of making everything that he writes interesting. And I feel sure that whether it can be called official or not, a book that Rudyard Kipling is now writing will hold our attention. At present he is writing on a history of the Irish Guards. After all that Rudyard has said in disapproval of Ireland, it seems strange that he should have taken up this theme, but perhaps he thinks that Ireland's military Mulvanys redeem her reputation.

Speaking of Kipling, a writer in that excellent London publication, "The Nation," says that Kipling is now writing a history of the British Empire. He can lean back on his oars now and watch his royalties coming in, just as securely as John D. Rockefeller's dividends from Standard Oil stock.

Barry Pain has written a parody of "The Secret Garden" under the title, "If Winter Comes." Mr. Hutchinson can afford to take his time about it, for his novel has already sold 35,000 copies in the United States and is still going strong both there and in Great Britain.

Jack Pickford agrees with that considerable portion of the press which asserts there is plenty of room for new faces and new personalities on the screen. He has recently been asked for new talent, and was rewarded by discovering two comparative newcomers who bear him some promise. They are Dorothy Manners and Audrey Chapman, both of whom were assigned real parts as friends of Madge Bellamy in her leading feminine role, "The Sign of the Cross." Manners and Chapman are just as decided a blonde. Both are said to be blessed with unique personalities and each seems to have a special screen triumph as a result of the opportunities afforded them by young Pickford's first Allied Producers and Distributors picture.

## ALL IS READY FOR THE EXCURSION

Expected That Large Number Will Journey to Port Angeles on Wednesday

All is in readiness for the first annual excursion of the Sixteenth Battalion of the Canadian Scottish Regiment, the 16th C. E. F., which is to take place on Wednesday afternoon. The steamer Princess Adelaide of the C. P. R. will leave the C. P. R. wharf at Belleville Street at two o'clock in the afternoon, the time of departure having been arranged in order to give as many of those who

enjoy the Wednesday half-holiday as wish to take part an opportunity to attend.

The band of the battalion, under Bandmaster Miller, is accompanying the excursion, as is also the pipe band, under Pipe-Major Craigmyl, and there will be music in plenty for the excursionists, also dancing on board the ship and at Port Angeles.

The excursion partakes of the nature of a basket picnic, and the authorities at Port Angeles have made special arrangements for the convenience of the picnicers. They have prepared tables and seats, also stoves supplied with fuel, and will also have supplies of hot water ready.

Port Angeles has extended a very warm welcome to the battalion and its friends, and it is anticipated that it will be a gala day in the city across the strait, which, according to the local authorities intends to be a fete for the occasion.

## She rests while Sunlight works

Sunlight—the world's purest and most famous laundry soap—washes clothes snowy white without rubbing or boiling.

In Sunlight is a blend of pure coconut and palm oils. We use no "fillers" or cheap, impure ingredients which harm the clothes and hands. Purity, quality, economy and efficiency go with Sunlight.

## PREPARE FOR JURISTS' MEETING

Reservations Are Being Made For Canadian Bar Association Convention

Reservations are already being made for the Canadian Bar Association meeting in British Columbia, two days of which will be devoted to Vancouver, and the third day, August 18, to Victoria. Sir James Aikens, Lieut.-Governor of Manitoba, the president, has already paid a visit here to settle details, and there is no doubt a busy programme ahead in both cities.

Among these who have made reservations at the Empress Hotel are Eugene Lafleur, K.C., of Montreal; E. H. Coleman and party, Mr. and Mrs. P. S. MacLennan, M. H. Ludwig, K.C., of Toronto; Mr. and Mrs. J. H. Ingersoll, Mr. and Mrs. Whiteside, Mr. and Mrs. William Grayson and Mr. and Mrs. E. K. Williams.

The programme is practically complete, says Clarence Darling, secretary of the B. C. committee of the Canadian Bar Association.

Lord Shaw, of Dunfermline, one of the British lords of appeal; the Hon. John W. Davis, former United States Ambassador to Britain; Henri Aubepin, representing the bar of Paris, France; Dr. R. Masujima, representative of the Japanese bar, president of the recently-formed International Bar Association, as well as many of the most prominent members of the bench and bar of the various provinces of Canada will have conspicuous places on the programme.

For Uniform, Laws. Committees dealing with the movement to bring about greater uniformity of law in the various provinces of Canada, with international law, legal education and legal ethics, administration of justice and other matters will present important reports.

Magistrate H. C. Shaw, of Vancouver, has been selected as the British Columbia representative on one committee.

In addition to the business sessions of the association there will be two luncheons, a dinner and an open meeting for the general public in the two days in Vancouver.

The Hon. John W. Davis, of New York, will be the speaker at the luncheon on Wednesday, August 16, to be presided over by Charles Wilson, K.C., treasurer of the Law Society of British Columbia.

Public Meeting. A public meeting will be held in the Hotel Vancouver ballroom on Wednesday evening at 8.15 and will be addressed by the Rt. Hon. Lord Shaw, of Scotland, and by Mr. Henri Aubepin, of Paris. At this meeting L. G. McPhillips, K.C., of Vancouver, vice-president for British Columbia of the Canadian Bar Association, will occupy the chair.

Cordelia A. Severance, of St. Paul, president of the American Bar Association, will address Thursday's luncheon, which will be presided over by the Hon. J. C. Cross, K.C., attorney-general of Saskatchewan.

At the opening meeting on Wednesday morning the association will be officially welcomed by His Honor the Lieut.-Governor of British Columbia and Mayor Tisdall, to whose addresses the Hon. Mr. Justice Survevor, of Montreal, will reply.

On Friday the delegates will come to Victoria.

## BUSINESS FIRM PLEASANT HOST

Smith, Davidson & Wright Conduct 4th Annual Picnic at Goldstream

This is the fourth year that the Smith, Davidson & Wright store has held a picnic, and each year has proved a success over the last, but it is doubtful whether they will ever again be able to conduct a better picnic, as the one held Saturday could hardly be excelled. The party consisted of about fifty people and left the city in motor cars. On their arrival at the Goldstream Hotel grounds they played baseball until lunch was ready and then did justice to an excellent repast.

The afternoon was taken up in conducting the sports programme, which was an extended one and proved a successful feature on the programme. George Nunn was starter, while Angus and P. W. Waring were the timekeepers. In the evening following supper community singing and dancing was indulged in, and an enjoyable time was spent by all. The dancing proved to be a pleasant conclusion to the end of the day's events. The results of the races are as follows:

Smith, Davidson & Wright. 100 yards, sales and warehouse men—1, H. G. Philbrook; 2, D. D. Davidson. Thread the needle race, mixed—1, Mr. and Mrs. H. G. Philbrook. Open race for ladies, 75 yards—1, Iris Philbrook; 2, Miss Doris Nunn, Vancouver. Sack race, 25 yards—1, Eric Philbrook; 2, L. E. Philbrook. Open race for men, 100 yards—1, George Nunn, Vancouver; 2, D. W. Wilson.

Three-legged race—1, T. Angus and L. E. Philbrook. Foot and shoe race—1, Bob Colpitts; 2, Beverly Gilson. Throwing the baseball at the bat—1, Bob Colpitts.

Boys' race—1, Miss D. M. Petherington. Girls' race, under 8 years—1, Doreen Campbell; 2, Berna Waring. Stenographers' race—1, D. M. Petherington.

Boys' race, under 16 years—1, Beverly Gilson; 2, Eric Philbrook. Page and shoe race, mixed—1st lady, Miss M. E. Dunn; 1st gentleman, F. C. Milne.

Consolation race, mixed—1st lady, Miss Agnes Dunn; 1st gentleman, T. Angus. After supper singing and dancing were indulged in.

The success of the affair was largely due to the following committees: Finance, F. C. Milne; transportation, D. Wilson and N. G. Wilson; sports, H. G. Philbrook, D. Davidson and T. Angus; catering, Misses M. E. Dunn, D. M. Petherington and L. E. Philbrook.

## NEARLY CRAZY WITH PAINS IN BACK

Read How Lydia E. Pinkham's Vegetable Compound Helped Mrs. Becroft

Hamilton, Ontario.—"I have suffered for three years from a female trouble, and consequent weakness, pain and irregularity which kept me in bed four or five days each month. I nearly went crazy with pains in my back, and for about a week at a time I could not do my work. I saw Lydia E. Pinkham's Vegetable Compound advertised in the 'Hamilton Spectator' and I took it. Now I have no pain and am quite regular unless I overwork or stay on my feet from early morning until late at night. I keep house and do all my own work without any trouble. I have recommended the Vegetable Compound to several friends."—Mrs. Emily Becroft, 16 Douglas St., Hamilton, Ontario.

For nearly fifty years women have been telling how Lydia E. Pinkham's Vegetable Compound has restored their health when suffering with female troubles. This accounts for the enormous demand for it, from coast to coast.

If you are troubled with any ailment peculiar to women why don't you try Lydia E. Pinkham's Vegetable Compound? It has helped others, let it help you.

## AMPUTATION CLUB SUCCESSFUL HOSTS

Enjoyable Day Spent at Deep Bay in Annual Picnic

One of the most successful picnics of the season was held by the local branch of the Amputation Association of the Great War at Deep Bay on Saturday last. Honored guest of the occasion, the organization entertained Col. Cyrus Peck, V.C., who in a brief address expressed his appreciation for the work of that group.

Ladies and children, guests of the members, were at right royal time, the children having an exciting list of prizes to compete for in running races and other events. J. Rutherford acted as referee and did much to ensure the success of the occasion.

The local branch desire to thank the following firms for their ready cooperation in the arrangements of the day: David Spencer, Ltd., Herbert Leiser, W. & J. Wilson, Canon Hinshel, Mitchell & Duncan, and J. Davidson.

The following were successful in their participation in the field events: Amputation Club.

Race for children, under 4 years (each runner given a prize)—1st, John Edwards; 2nd, Ellen Sargent; 3rd, Josephine Dobbie; 4th, David Scott; 5th, Fred Sargent; 6th, E. Tucker; 7th, Marion Scott.

Race for girls, 5 to 8 years—1st, Beth Dobbie; 2nd, Ruth Shepherd; 3rd, Georgina Cochrane.

Race for boys, 9 to 12 years—1st, Billy Pearson; 2nd, George Warren; 3rd, George Milligan.

Race for girls, 9 to 12 years—1st, Norma Schroder; 2nd, Eleanor Schroder; 3rd, Alexina Cochrane.

Race for boys, 9 to 12 years—1st, Bobby Warren; 2nd, Albert Copeland; 3rd, John Hutchinson.

Married ladies' race—1st, Mrs. Dobbie; 2nd, Mrs. S. P. Edwards. Single ladies' race—1st, Miss May Warren; 2nd, Miss Norma Schroder.

Race for arm amputation cases—1st, E. Tucker; 2nd, Major Edwards. Race for below-the-knee amputation cases—1st, J. Fullerton; 2nd, Major Gus Lyons.

Race for knee-baring amputation cases—1st, J. Dobbie; 2nd, Chiverrall. Race for above-the-knee amputation cases—1st, Chiverrall; 2nd, H. Milligan (double amputation below the knee).

Relay race for mixed arm and leg cases—Winning team, Major Lyons, A. McCoy, A. Bellow, Major Edwards, Chiverrall and W. C. Warren.

Elmer Clifton, for nine years assistant to D. W. Griffith, has completed a work on "Down to the Sea in Ships." The film is based on the novel called "Moby Dick," a thrilling story of a man-hunting whaler and his nemesis, a grim, old sea-story by John L. E. Pell. Clifton is now cutting the picture at New Bedford, Mass. Raymond McKeen and Marguerite Courtot appear in the principal roles. Clifton spent two months on a whaler in Southern seas, and his cameramen have caught some exceptional "shots" of fights between the crew and the whales and their quarry. The Whaling Film Corporation, of New Bedford, Mass., is responsible for the picture.

Visitors ALWAYS Welcome. To the Woman Who Goes Out To Work

"I can't afford to do my own washing. That's what the woman who helps one of our neighbors several days a week said. She was asked how she got her own washing done."

This woman found that by going out to work, and sending her washing to the laundry, she was better off financially at the end of the day than if she had stayed at home and done the washing herself.

## JOINT PICNIC MOST SUCCESSFUL

Beautiful Surroundings Play Prominent Share in Happy Field Day

Beautiful surroundings, a congenial spirit and an energetic committee to arrange an elaborate programme made the joint picnic of the British American Paint Company and W. J. Pearday & Sons a complete success Saturday. The two companies worked well together in giving their employees a thoroughly good time, and with many attractions in the exceptionally good location on the Finlayson Arm, there was no chance for any one to complain. Transported from the busy city life to a peaceful, quiet spot among the best scenery in tallishot, the party which numbered two hundred and fifty, selected their favorite shady nooks and haunts. The programme was so arranged that it was both amusing to the spectators and the contenders.

Many novelty events provided the entertainment for the spectators. Among these the bun eating probably topped the list. The scene depicted by the boys who were competing was laughable. The pillow fighting was also another of those events which proved excellent entertainment for the party. Two blind folded competitors produced plenty of fun and enlivened the afternoon's events. A cracker and whistle race was another of the novelty events which won applause from the spectators.

Some of the daring ones in the party seeking other entertainment than that supplied by the programme ventured to climb Mount Finlayson and the journey to the top proved entertaining to them. The scene at the summit was well worth the climb, but the height deterred a number. Close competition was a feature of the Laurel Point Cup race, which is open for employees. The event is a hundred yards' dash, and Jimmy Cummings and Gordon Leeming ran a dead heat in this event, necessitating the running of the tie again after supper, which resulted in Jimmy Cummings coming out on top. The remainder of the events with the results, are as follows:

Girls' race, 25 yards, 6 years and under—1, E. Nex; 2, L. Starkie. Boys' race, 25 yards, 6 years and under—1, Lawson and Lowe.

Girls' race, 25 yards, 10 years and under—1, L. Starkie; 2, V. Rance. Boys' race, 25 yards, 10 years and under—1, Mair; 2, Clare.

Girls' race, 50 yards, 14 years and under—1, E. Robertson; 2, L. Rhodes. Boys' race, open—1, A. McIntyre.

Single men's race, 100 yards, employees only—1, J. Cummings; 2, A. McIntyre. Ballroom race, 100 yards, married ladies only—1, Mrs. Lawson; 2, Mrs. Lowe.

Married men's race, 100 yards, employees only—1, Leeming; 2, Aubel. Ladies' race, 50 yards, open—1, Miss D. Wolfe; 2, Miss D. Leeming. Sack race, open—1, Bert Nix; 2, Syd Nix.

Thread-the-needle race, 50 yards, couples—1, Miss D. Leeming and Mr. Raynton. Laurel Point cup race, 100 yards, men—1, Cummings; 2, McIntyre. Cracker and whistle contest—1, Tillyer.

Pillow fight—B. Nix. Tag-o-war—Prudential. Bun-eating contest—1, R. Clare. The committee was composed of Messrs. S. Lowe, Aubel, W. Lawson, E. Matthews, E. Varney, H. J. Pearday, J. Cummings and Miss Craig.

## VICTORIA PUBLIC LIBRARY

## Recent Books.

"What Next in Europe?" F. C. Vanderlip. "Vanished Pompei of Yesterday." Lord Frederic Hamilton. "The House of Commons and Monarchy." Hilaire Belloc. "Foreign Relations of China." M. J. Bai.

"The New Japanese Peril." Sidney Osborne. "The Influence of the Sea on the Political History of Japan." Vice-Admiral G. A. Ballard. "Sea Power in the Pacific." Hector C. Bywater.

The economics of Europe should not be left to technical or financial experts. Every intelligent person should attempt to understand the situation in its broad effects and in its consequences to humanity. Such is the view of Mr. F. C. Vanderlip in his book, "What Next in Europe?"

The book is written from a constructive point of view. While it gives an account of conditions, of widespread famine, of bankruptcy, and of exhausted countries struggling each to seize and make opportunities to remedy these conditions. Plans are suggested for a better exchange and handling international debts.

The book is not merely a story of finance and economics, it is an account of the most thrilling episodes in the history of mankind. Its three parts are entitled: The Background, Economic Chaos, and Reconstruction.

"Vanished Pompei of Yesterday" contains the reminiscences of a British diplomat, Lord Frederic Hamilton. The book is a pleasant, skillfully written chronicle of a description of the pomp and circumstance, the glitter and glamor of three great courts of Europe—Berlin, Vienna and Petrograd.

The book is a volume of a few causes of Prussian militarism; it gives a picture of "easy-going" Russia, and in Russia, he sees signs of coming revolution. He offers no opinion as to whether the world has gained or lost by the disappearance of the great courts. The book is engaging and instructive, a volume of interesting, personal reminiscences.

"A Decaying Institution." "The House of Commons and Monarchy" by Hilaire Belloc is a survey of the history of the House of Commons, and a criticism of its past and present functions. The thesis upon which the author begins is: The House of Commons was founded by, and is essentially part of an aristocratic state. England having ceased to be an aristocratic state, the House of Commons is ceasing to function. The book goes on to describe the rise of the institution from the Reformation. Mr. Belloc describes the nature of an aristocratic state, and maintains that aristocratic action and temper are lost in modern England in both the governing and the governed. The book is brilliantly written, and is an illuminating criticism.

of what the author maintains is "a decaying institution."

The Yellow and Brown Races. "Carrying as her citizens feel the mission of promoting world peace, China's foreign relations and policy will probably be the keynote, or at least an essential factor in world peace." This is the statement of M. J. Bai in his preface to "The Foreign Relations of China." The first part of this volume contains a survey of the diplomatic history of the policy of the Great Powers in China—Russia, France, Germany, Great Britain, and the United States. The author next considers the policy of Japan in China, owing to the fact that the author feels very strongly that the problems of these two countries must be solved simultaneously, but he endeavors to treat it as objectively as possible. The significance of Japan's present policy is realized, and recorded. "Some magic touch is needed to electrify the world," says the writer, "to convey to it an interpretation of mysterious messages, spoken in an unknown tongue, with which the entire atmosphere of the East is laden." Three chapters are devoted to the Shantung question and four to the Anglo-Japanese Alliance.

"The Influence of the Sea on the Political History of Japan" is the title and subject of an illuminating volume by Vice-Admiral G. A. Ballard. It is a connected account from the time of the earliest authentic records down to the present century. The importance of Japanese history is well brought out by the author, who points out that long before Waterloo, Trafalgar, Japan's soldiers and seamen had fought in far greater numbers. Such important chapters in the annals of Japanese history as the destruction of Kublai Khan's great armada of four thousand five hundred ships, and the tremendous struggle with Korea and China in the sixteenth century, are well described. Full attention is given to effects of various developments of the Anglo-Japanese Alliance. The book concludes with reference to the present strategic position of Japan, and her future relations with the principal powers on the coast of the Pacific.

A Vital Issue. Still another study of Japanese problems is "Sea-Power in the Pacific" by H. C. Bywater. This is a study of the American-Japanese rivalry problem. The author reviews the question at issue between Japan and the United States. He examines the modern development, administration, personnel, and material of the United States' navy and that of Japan, giving particular attention to the submarine branch of the Japanese navy. The question of strategy

## In the Pacific is treated with great technical knowledge and detail.

The possible features of a war in the Pacific are described, together with the political and economic factors working for and against such a war. The writer's conclusion is that, for foreign observers, Japan has everything to lose and nothing to gain by a policy of aggressiveness. This is an extremely important volume, containing accurate statistics, and showing a keen insight into conditions and situations, with an understanding of Japanese character.

## NO CAR FOR MINISTER

Clergyman—I've brought back the second-hand car I bought from you last week. It is too obstreperous.

Dealer—What's wrong? Can't you run it?
